Mrs. Britain says it is as hard to get a man in front of a camera as to tame a lion . . . didn't know she was a lion tamer.

We'll have to back up. Announced that the special edition would come out next week. Too much work to do, so it won't be printed until Nov. 7th. If you have a good story about Randall county, bring it to the News office at once. We want it for that big special edition.

R. E. Baird reports that his sister, Miss Sallie Baird, is recovering very nicely in the hospital. She has a broken hip as the result of a fall recently.

M. C. Sanders is all pepped up. The picture of his home was run in the Santa Fe Magazine as being the prettiest and best kept section house on the Panhandle Plains section of the railway. Mr. Sanders is a hard working man who takes a great pride in everything with which he is connected. And his hard work is another compliment to Canyon.

Folks on Second Avenue are talking about paving. Canyon has a fine reputation for wanting improvements, and the people on Second are to be complimented for wanting their street paved. If the stock pens are removed and the paving of Third extended to the highway, and Second paved, Canyon will certainly be a well paved town.

There are too many one-eyed cars running around town. It's dangerous both to the drivers and to other cars. Sometimes the car owner does not realize that one light has gone out. Most of the time it is pure carelessness.

The News force has been a busy bunch the past two weeks printing dope on the Amarillo water fight. The San Jacinto Booster is one of the weekly publications of this office. The past two weeks 6,000 extra copies have been printed in this plant for distribution into every home in Amarillo. The Amarillo water election will be pulled off Saturday, and such a fight.

W. A. Warren is busy trying to work out a plan to move the stock pens. He is president of the Chamber of Commerce, and has devoted a lot of time to this big problem. Canyon should appreciate the good citizens who serve on public committees, boards and commissions, for the upbuilding of the town and community.

Bounty Offered by Farmers for Wolves

G. W. Cox states that he and W. T. Hazlewood have offered a bounty of \$10 for each wolf killed northwest of Canyon. There are a number of wolves in the Palo Duro canyon which are killing fowls, and are a menace to calves and sheep.

The wolves got one of the tame geese at the Cox place Sunday and a turkey Monday.

Mr. Cox states that a litter of young wolves was raised in that vicinity this year, and he hopes that trappers and hunters will assist in killing them before they do a lot of damage.

Mrs. John Knight spent the week end in Hereford at the home of her daughter, Mrs. R. A. Wedbrook.

Dollar Day in Canyon on Monday

Plans Being Made for Removal of Stock Pens City Park Considered

Agreement between the Chamber of Commerce and the Santa Fe railway has virtually been reached regarding the removal of the stock pens from the east part of town to land now owned by the Santa Fe in the west end of town. President J. A. Hill, C. R. Burrow, S. B. McClure, John S. Humphreys and Dr. C. E. Donnell met with the Santa Fe officials in Amarillo Friday afternoon, following the complimentary dinner for the Santa Fe held in Amarillo. The first proposed price made by the railway for the removal of the stock pens was scaled down, and it is believed that the company will meet the demands of the Chamber of Commerce that the entire cost of paying the Conner estate and removal of the pens shall not exceed \$13,000.

W. A. Warren, president of the Chamber of Commerce, called his directors Monday night and it was agreed that Canyon could handle the proposition at the price of \$13,000. The option with Mrs. Conner expires on the land in December. It is desired that quick action be taken in order that the stock pens may be removed at once, and that the lots be opened up to many who are anxious to buy in that section.

In order to help along with the work, G. G. Foster has agreed to survey the land free of charge; O. W. Gano will furnish free blue prints; Foxworth-Galbraith Lumber Company will furnish stakes for markers.

There are 96 lots in the tract, excepting those along the railway which are not desirable for residences. The City Commission has under advisement buying one block of 12 lots for a city park. The proposal was taken to the commission yesterday by Mr. Warren, C. N. Harrison, C. H. Jarrett and Clyde W. Warwick. If the commission is able to do this, there will remain 84 residence lots. Mr. Warren wants ten or fifteen men to agree to finance the balance of the \$13,000 should the city take one block for a park. The lots may be divided, or if those who finance the deal care to do so, a big lot sale may be put on to dispose of the property. If some individual comes along who wishes to buy the entire tract, this will be the easiest way out.

New Contracts Made for Light Inspections

The State Highway Department has cancelled all bonds of automobile headlight inspection stations, and granted authority to commissioners courts to re-appoint new inspectors. General dissatisfaction over the state regarding many of the stations resulted in cancelling present agreements.

At a meeting of the Commissioners Court Saturday the two local stations were re-appointed as both had given satisfaction, and no criticisms had been made by the state officials. Farlow Motor Co. and the Miller-Lybrand Co. were local inspectors, and were re-appointed. New blanks are expected from the state department within a few days.

NO VIOLATIONS OF GAME LAWS IN THIS COUNTRY

Deputy Game Warden S. D. Turner states that he is well pleased with the way sportsmen are observing the game laws. The morning of the 16th when the duck season opened he went out among the hunters to see if there would be any shooting earlier than the hour prescribed by law. In spite of the scores of men out as early as 4:00 o'clock in order to get choice locations, Mr. Turner states there was no shooting before the legal time.

MRS. ROOT ENTERTAINS

Mrs. Gene Root entertained with bridge at her home east of town Saturday evening. There were three tables. Refreshments were served to the following guests: Mr. and Mrs. E. H. Albers, Mr. and Mrs. Cass Jennings, Mr. and Mrs. Jeff Wallace, Mr. and Mrs. E. A. Michael, Mrs. Gerald Reynolds, and Mr. and Mrs. Bradley Burrus.

Legion Club May Be Turned Over to Woman's Book Club

The American Legion Club building will likely be offered to the Women's Book Club during the next few days by the directors of the club to be converted into a community center. Directors have indicated a willingness to make this a community center, and at the meeting of the Book Club yesterday a committee was appointed to see what arrangements could be made to take over the Club.

The Club house was built in 1919 and is one of the finest club houses in this section. If the women decide to take over the property, it is proposed that all women's clubs have the use of the building and that women from the country be made welcome at any time. It was pointed out that Canyon has long felt the need of such a community center, and meeting place for women, and that this club would be the ideal solution.

Cars Wanted Take College Students to Game Saturday

The Directors of the Canyon Chamber of Commerce are asking people who are going to the Buffalo-Simmons game on Saturday to take as many college students as their cars will carry. The game will be at three o'clock.

The Simmons team will be accompanied by the Cowboy Band and a full Pep Squad from Abilene. Students of the College want to attend if cars can be secured so that they can afford to make the trip.

CAR DELIVERIES

M. J. Sanford, new Ford Sport Roadster.
J. A. Whittenburg, new Ford Tudor Sedan.
Edwin Forrest, new Ford Fordor Sedan.
Victor Willford, used Model A Ford Fordor Sedan.
O. G. Steen, used Ford Pick-up.
D. L. Lippard, used Ford Pick-up.
G. L. Phillips, used Chevrolet Roadster.
A. B. Holt, new Chevrolet Coach.
R. A. Rogers, new Chevrolet Truck.
J. B. Haile, new Chevrolet Truck.

DELINQUENT TAXES

Delinquent taxes are being cleaned up in many places throughout the state, and an organized effort is being put forth in most counties, cities, and school districts to make those collections. According to late court rulings a tax title is absolutely good as any title, even to a homestead, except, however, that the owner has two years in which he may redeem the property by paying the purchaser double the amount paid for same.

Shrewd investors are giving attention to the purchase of desirable property at these tax sales with the assurance of either acquiring title to the property, or doubling their money in two years.

I. W. MCCLURE VERY ILL

S. B. McClure has word that his brother, I. W. McClure, has had a second stroke of paralysis at his home at Tampa, Florida, and is very seriously ill. He lived here several years ago, and is well known to Canyon people.

LIGHT RAIN FALLS

A light rain of .28 of an inch fell in Canyon Thursday. Farmers would like to see a good rain owing to the fact that a large acreage of wheat has been planted.

BUILDING PERMIT

Mrs. T. A. Ridgeway, \$25,000 residence at 1705 2nd Avenue.

RED CROSS TO PUT ON WORK IN SCHOOLS

RESULT OF ROLL CALL MEANS MUCH TO CHILDREN.

Health Program in Schools Sponsored By the Local Red Cross Chapter of Much Interest.

Randall County is to have a Health Program instituted in its schools beginning February 1st. This means that every school child in the county will be given an opportunity for inspection. Hygiene and nutrition classes will be established, and an effort to correct defective eyes, ears, tonsils, etc., will be made. A nurse will be brought here by the Red Cross to carry on this extensive program, and it is hoped that every school child in Randall county will be benefited by this nursing service. In order that this worthy program may be put on this year, in a creditable way, it will be necessary to put on an intensive Red Cross drive in order to finance the bringing of this nurse to Canyon.

At the present time in Texas 20 chapters are offering the services of Red Cross nurses to their communities. From July 1, 1928 thru June 30, 1929 these nurses made 46,921 home visits and inspected 32,208 school children.

The significance of these facts may not be apparent unless one thinks of the health, economic, educational and social values of public health nursing in terms of one community. The average cost to taxpayers of a child forced to repeat a grade in school because of remediable physical handicap, is near \$50.00, and a large number of those who have defects corrected are repeaters. So just from the economic standpoint alone, this one feature of the nurse's work will repay her expenses many times over to the community.

The relation of food knowledge to the prevention of disease in individuals, and disease epidemics in communities, is rapidly attaining general recognition and understanding. Red Cross nutritionists through prenatal instruction to mothers and pre-school classes, are making a man-sized contribution to the avoidance of sickness for all classes of people, and are helping to build up in many communities a health strength that has a definite relation to economic well-being.

All health services of the Red Cross are dependent for support upon the annual membership Roll Call, which will be held here soon.

Amarillo to Start Connecting Paving With New Hiway

A contract was let Monday by the City Commission of Amarillo for paving the streets within the city limits to connect with the new paved highway in Randall county.

The paving will run on Ong Street in Amarillo.

The paving of this connecting link comes after many delays, and the cancellation of one contract by the Amarillo city commission.

LIKES GOLF COURSE

Mr. and Mrs. R. A. McKinney of Borger spent Sunday at the B. B. Cluck home. Mr. McKinney says that everything is quiet and peaceful at Borger following the removal of the rangers and National Guard.

Mr. McKinney states that the Canyon Golf Course is one of the finest he has ever played.

TELEPHONE MANAGER HERE

G. N. Hailey, district manager of the Southwestern Bell Telephone Co., was a business caller here Thursday. He succeeds W. B. Patterson in this district.

Mr. Hailey expressed great satisfaction with the business of the company in this city.

HALLOWEEN CARNIVAL

Hallowe'en will be celebrated with a Hallowe'en Carnival at the Zita school next Saturday. There will be many attractions, and refreshments. The town people are invited to attend.

Miss Sophia Meyers of the Amarillo News and Mrs. C. R. McAfee of Amarillo were in the city yesterday and made the News office a very pleasant call.

Rotarians Plan for Night Meeting With Ladies as Guests

Rotary Anns will be entertained by the Canyon Rotary Club at the weekly luncheon on November 5th. The luncheon will be held at night instead of at the noon hour. The Boy Scout work will be the subject of the luncheon period next Tuesday.

"Pinky" Hand made a report on the trip to Lubbock last week which was made by President Joe Hill, Bob Jarrett, Travis Shaw, Tom Knighton, Earl Robbins, Ber Ellison, Rule Meredith, Oscar Gano and Mr. Hand. Laroy White of Amarillo visited the Club Tuesday.

The Fellowship Committee was in charge of the program Tuesday. Rev. Wes Kunze made a splendid talk on Fellowship. He believed that it is the one great desire of the human race. It is hard to talk about, and its desire is hard for some individuals to express. In overzealous people, it becomes repulsive, and the genuineness is doubted. There are none who do not desire friends. Some of the finest stories of literature and poetry are based upon friendship. He called attention especially to the friendship of David and Jonathan.

He believed that this age had lost the art of going visiting, and was losing much in pleasure and profit. Friendship is best shown by going to see and be with the one who needs you.

Dr. R. P. Jarrett asked all Rotarians who were going to the Buffalo-Simmons football game in Amarillo Saturday afternoon and could take some students to please call the office of D. A. Shirley at the College.

Six Thousand Fish Placed in Creek

For the second time this year fish have been shipped in to stock the creeks and lakes in this vicinity. Earlier in the year some ten thousand fish were shipped from the Wichita Falls Hatchery. These were only an inch or so long, and were only about three weeks old. The fish that were recently shipped in measure several inches in length and are large enough not to be eaten by the larger fish. This shipment numbers five or six thousand, and of the bass, crappie, and bream varieties.

S. D. Turner, game warden stated that this shipment would be distributed in the Tierra Blanca, Jenkin's, Gordon-Cummings, near Canyon; on the J. H. Bishop and Joe Sneed places near Amarillo; and the E. C. Houghton place in Hartley county.

WESTMINSTER GUILD MEETS

The Westminster Guild of the Presbyterian church met Tuesday afternoon at the home of Mrs. R. B. Meredith. There were six members and one visitor present. After delightful refreshments were served the lesson was conducted by Mrs. Sanford Black.

Mrs. Millard Word of Amarillo visited in Canyon Tuesday.

Advertising

All progressive merchants advertise these days, and so do many professional people.

Merchants simply have to advertise to be progressive. They have found that advertising pays.

But some of them would be more progressive if they'd advertise consistently. They advertise when business is good, of course. But they decrease their advertising or eliminate it altogether when business is not so good.

This is just the opposite of what should be the case. The time to advertise more than ever is when business is not so good. That's the way to make it good again—to advertise.

John Wanamaker made millions as a retail merchant. Of newspaper advertising he said: "When the times are hard and people are not buying is the very time that advertising should be the heaviest. You want to get the people in to see what you have to sell, and you must advertise to do that. When the times are good they will come largely of their own accord, but I believe in advertising all the time. I never stop advertising."

Trades Day to Bring Unusual Bargains and Many Free Offerings

Chicago Man Here in Interest Park in the Palo Duro

Fred A. Emery of Chicago was in the city yesterday conferring with citizens in the interest of a state park in the Palo Duro canyon. He represents Byers Bros. & Co., owners of several sections of land along the Palo Duro in the southeast part of Randall county.

Mr. Emery hopes that local people will take a decided interest in the state park, as he is convinced that they are the ones who must take the first step toward procuring such a park.

Mr. Emery left at the News office a colored photograph of the canyon which he took near the Lighthouse.

D. E. Colp of San Antonio is expected here Nov. 6th at the head of a delegation which is inspecting possible state park sites. Mr. Colp is chairman of the State Parks Board, and has always manifested a very great interest in the proposed Palo Duro Park.

Jury of View Has No Difficulties on New Highway

The Commissioners court heard the report of the jury of view at a special meeting Friday. No complaints were registered on the new highway which is being built from Canyon to Happy, and work will continue on the grading and drainage, which was started last week.

Land owners were allowed \$25 per acre by the jury of view, and all but four of the land owners have accepted this amount and given deeds to the land which goes into the new highway. Judge B. F. Fronabarger believes that condemnation proceedings will be necessary in not more than one or two cases, with all probability that all of the right-of-way will be deeded to the state without further delay. The county is ready to complete the condemnation proceedings just as soon as it is known that any of the property owners will not accept the appraisal of the jury of view.

Plans For Music Teachers Meet Nov. 9 Here Go Forward

Saturday, November 9th W. T. will be host to the South Plains Music Teachers Association which will hold its annual meeting in Canyon at that time. The day will be given over almost entirely to business sessions of the organization. In the evening the visitors will be the guests of the college at dinner. Later in the evening they will be entertained by the Russian Cossack Chorus in the college auditorium, the first lyceum number of the year.

Mr. Wallace R. Clark and Miss Pauline Brigham of the music department are honorary members of the Association. They have attended every meeting since its organization about six years ago. The organization has a membership of about fifty music teachers from different sections of the south plains and has as its president, Miss Margaret Huff of Lubbock.

Further announcements concerning the meet will be made at a later date when more definite plans have been decided upon.

MRS. BLACK INJURED

Mrs. W. C. Black was slightly injured Saturday when her car collided with a South Plains Pipe Line car in the street in front of the First National Bank. Mrs. Black received only a few bruises.

HONORS SISTER

Mrs. L. G. Allen entertained Tuesday afternoon at bridge honoring her sister, Mrs. S. A. Street of Austin, who is her guest. The house was decorated in yellow chrysanthemums and nasturtiums. Bridge was played at five tables.

Dollars will go farther, and buy more in Canyon next Monday than any day during 1929, according to indications for the regular monthly Trades Day, which has been designated as Dollar Day. The plans for the day have been made by J. M. Lybrand, Jr. W. A. Pierce and C. L. Thompson.

Merchants are offering free gifts to those who register at their store by 12 o'clock noon, Monday. These gifts are explained in the advertisements to be found in this issue of the News.

Then at 2:30 o'clock new merchandise will be offered at public auction at the bandstand. Farmers are urged to bring in anything which they have to offer for sale, and put it in this free auction.

Among the merchandise offerings are the following:

Keq of Legear's Stock Tonic—Jarrett Drug Co.
Gallon of Prestone—Miller-Lybrand Co.

Case of Post Toasties, 2 5-gallon buckets of regular syrup and 2 5-gallon buckets of maple syrup—Canyon Grocery Co.

One Navajo blanket—Peoples Store.

One double blanket, wool-napped—Redfern Sisters.

One man's overcoat—Canyon Supply Co.

24 10-cent pencil tablets—Warwick Printing Co.

48-lb. sack Great West Flour—"M" System.

Puritan ham—City Market.

Case of Concho corn—Piggly Wiggly.

10-lb. bucket Karo, white; 10-lb. bucket Sioux Bee Comb Honey—Bellah Grocery.

8-lb. bucket Swift Jewel lard and 3-lb. bucket Hokus Pokus coffee—Hokus Pokus.

At 4:30 o'clock \$5 will be given for the boy or girl who can climb the greasy pole on the courthouse square.

At 5:00 o'clock there will be the drawing for the Billy Goat to be given by the Miller-Lybrand Co. Tickets may be secured by registering at the Miller-Lybrand Ford agency any time during the day.

Attention is especially directed to the gifts offered to those who register at the various stores. Read the advertisements for full particulars.

Frost and Light Freeze Stops Vegetable Growth

With a frost Sunday night and light freeze Monday night, followed by a cold norther Tuesday and yesterday, growth of vegetation has been checked, and everything is taking on the appearance of fall. Farmers were glad to see a light frost in order that the grain be better developed before being harvested.

ATTEND WEST TEXAS CHAMBER COMMERCE MEETING

Wallace R. Clark left Tuesday and W. A. Warren yesterday for El Paso to attend the annual meeting of the West Texas Chamber of Commerce. Mr. Clark is a director of the organization, while Mr. Warren will represent Canyon at the meeting.

SHOOT A COYOTE

John Schramm shot a coyote south of town Thursday. These animals are seldom seen away from the canyons, owing to the effective war which has been waged for their destruction. Mr. Schramm is having the animal mounted.

Mr. Schramm will leave in a few days with men from Amarillo on a hunting trip into Old Mexico.

MRS. J. W. THOMAS VERY LOW

Word was received here this morning that Mrs. J. W. Thomas is not expected to live. Mrs. Thomas lived in Canyon for many years, but is now in Amarillo with her daughter, Mrs. J. R. Gaut. Mrs. M. E. Rhoads, who is her daughter-in-law, and Mrs. Rhoads' daughters, Mrs. Levi Cole, and Mrs. Paul Lentner are going to Amarillo this morning. Mrs. Gus Thomas and Hazel Thomas are also going.

MARRIAGE LICENSES

W. O. Hudson and Miss Frances Stephenson, Oct. 18.
Diamonds and Wedding Rings. E. Burroughs.

Mrs. T. A. Ridgeway, \$25,000 residence at 1705 2nd Avenue.

RED CROSS TO PUT ON WORK IN SCHOOLS

RESULT OF ROLL CALL MEANS MUCH TO CHILDREN.

Health Program in Schools Sponsored By the Local Red Cross Chapter of Much Interest.

Randall County is to have a Health Program instituted in its schools beginning February 1st. This means that every school child in the county will be given an opportunity for inspection. Hygiene and nutrition classes will be established, and an effort to correct defective eyes, ears, tonsils, etc., will be made. A nurse will be brought here by the Red Cross to carry on this extensive program, and it is hoped that every school child in Randall county will be benefitted by this nursing service. In order that this worthy program may be put on this year, in a creditable way, it will be necessary to put on an intensive Red Cross drive in order to finance the bringing of this nurse to Canyon.

At the present time in Texas 20 chapters are offering the services of Red Cross nurses to their communities. From July 1, 1928 thru June 30, 1929 these nurses made 46,921 home visits and inspected 32,208 school children.

The significance of these facts may not be apparent unless one thinks of the health, economic, educational and social values of public health nursing in terms of one community. The average cost to taxpayers of a child forced to repeat a grade in school because of remediable physical handicap, is near \$50.00, and a large number of those who have defects corrected are repeaters. So just from the economic standpoint alone, this one feature of the nurse's work will repay her expenses many times over to the community.

The relation of food knowledge to the prevention of disease in individuals, and disease epidemics in communities, is rapidly attaining general recognition and understanding. Red Cross nutritionists through prenatal instruction to mothers and pre-school classes, are making a man-sized contribution to the avoidance of sickness for all classes of people, and are helping to build up in many communities a health strength that has a definite relation to economic well-being.

All health services of the Red Cross are dependent for support upon the annual membership Roll Call, which will be held here soon.

Amarillo to Start Connecting Paving With New Hiway

A contract was let Monday by the City Commission of Amarillo for paving the streets within the city limits to connect with the new paved highway in Randall county.

The paving will run on Ong Street in Amarillo.

The paving of this connecting link comes after many delays, and the cancellation of one contract by the Amarillo city commission.

LIKES GOLF COURSE

Mr. and Mrs. R. A. McKinney of Borger spent Sunday at the B. B. Cluck home. Mr. McKinney says that everything is quiet and peaceful at Borger following the removal of the rangers and National Guard.

Mr. McKinney states that the Canyon Golf Course is one of the finest he has ever played.

TELEPHONE MANAGER HERE

G. N. Hailey, district manager of the Southwestern Bell Telephone Co., was a business caller here Thursday. He succeeds W. B. Patterson in this district.

Mr. Hailey expressed great satisfaction with the business of the company in this city.

HALLOWE'EN CARNIVAL

Hallowe'en will be celebrated with a Hallowe'en Carnival at the Zita school next Saturday. There will be many attractions, and refreshments. The town people are invited to attend.

Miss Sophia Meyers of the Amarillo News and Mrs. C. R. McAfee of Amarillo were in the city yesterday and made the News office a very pleasant call.

Rotarians Plan for Night Meeting With Ladies as Guests

Rotary Anns will be entertained by the Canyon Rotary Club at the weekly luncheon on November 5th. The luncheon will be held at night instead of at the noon hour. The Boy Scout work will be the subject of the luncheon period next Tuesday.

"Pinky" Hand made a report on the trip to Lubbock last week which was made by President Joe Hill, Bob Jarrett, Travis Shaw, Tom Knighton, Earl Robbins, Berl Ellison, Rule Meredith, Oscar Gano and Mr. Hand. Laroy White of Amarillo visited the Club Tuesday.

The Fellowship Committee was in charge of the program Tuesday. Rev. Wes Kunze made a splendid talk on Fellowship. He believed that it is the one great desire of the human race. It is hard to talk about, and its desire is hard for some individuals to express. In overzealous people, it becomes repulsive, and the genuineness is doubted. There are none who do not desire friends. Some of the finest stories of literature and poetry are based upon friendship. He called attention especially to the friendship of David and Jonathan.

He believed that this age had lost the art of going visiting, and was losing much in pleasure and profit. Friendship is best shown by going to see and be with the one who needs you.

Dr. R. P. Jarrett asked all Rotarians who were going to the Buffalo-Simmons football game in Amarillo Saturday afternoon and could take some students to please call the office of D. A. Shirley at the College.

Six Thousand Fish Placed in Creek

For the second time this year fish have been shipped in to stock the creeks and lakes in this vicinity. Earlier in the year some ten thousand fish were shipped from the Wichita Falls Hatchery. These were only an inch or so long, and were only about three weeks old. The fish that were recently shipped in measure several inches in length and are large enough not to be eaten by the larger fish. This shipment numbers five or six thousand, and of the bass, crappie, and bream varieties.

S. D. Turner, game warden stated that this shipment would be distributed in the Tierra Blanca, Jenkin's, Gordon-Cummings, near Canyon; on the J. H. Bishop and Joe Sneed places near Amarillo; and the E. C. Houghton place in Hartley county.

WESTMINSTER GUILD MEETS

The Westminster Guild of the Presbyterian church met Tuesday afternoon at the home of Mrs. R. B. Meredith. There were six members and one visitor present. After delightful refreshments were served the lesson was conducted by Mrs. Sanford Black.

Mrs. Millard Word of Amarillo visited in Canyon Tuesday.

Advertising

All progressive merchants advertise these days, and so do many professional people.

Merchants simply have to advertise to be progressive. They have found that advertising pays.

But some of them would be more progressive if they'd advertise consistently. They advertise when business is good, of course. But they decrease their advertising or eliminate it altogether when business is not so good.

This is just the opposite of what should be the case. The time to advertise more than ever is when business is not so good. That's the way to make it good again—to advertise.

John Wanamaker made millions as a retail merchant. Of newspaper advertising he said: "When the times are hard and people are not buying is the very time that advertising should be the heaviest. You want to get the people in to see what you have to sell, and you must advertise to do that. When the times are good they will come largely of their own accord, but I believe in advertising all the time. I never stop advertising."

Trades Day to Bring Unusual Bargains and Many Free Offerings

Chicago Man Here in Interest Park in the Palo Duro

Fred A. Emery of Chicago was in the city yesterday conferring with citizens in the interest of a state park in the Palo Duro canyon. He represents Byers Bros. & Co., owners of several sections of land along the Palo Duro in the southeast part of Randall county.

Mr. Emery hopes that local people will take a decided interest in the state park, as he is convinced that they are the ones who must take the first step toward procuring such a park.

Mr. Emery left at the News office a colored photograph of the canyon which he took near the Lighthouse.

D. E. Colp of San Antonio is expected here Nov. 6th at the head of a delegation which is inspecting possible state park sites. Mr. Colp is chairman of the State Parks Board, and has always manifested a very great interest in the proposed Palo Duro Park.

Jury of View Has No Difficulties on New Highway

The Commissioners court heard the report of the jury of view at a special meeting Friday. No complaints were registered on the new highway which is being built from Canyon to Happy, and work will continue on the grading and drainage, which was started last week.

Land owners were allowed \$25 per acre by the jury of view, and all but four of the land owners have accepted this amount and given deeds to the land which goes into the new highway. Judge B. F. Fronabarger believes that condemnation proceedings will be necessary in not more than one or two cases, with all probability that all of the right-of-way will be deeded to the state without further delay. The county is ready to complete the condemnation proceedings just as soon as it is known that any of the property owners will not accept the appraisal of the jury of view.

Plans For Music Teachers Meet Nov. 9 Here Go Forward

Saturday, November 9th W. T. will be host to the South Plains Music Teachers Association which will hold its annual meeting in Canyon at that time. The day will be given over almost entirely to business sessions of the organization. In the evening the visitors will be the guests of the college at dinner. Later in the evening they will be entertained by the Russian Cossack Chorus in the college auditorium, the first lyceum number of the year.

Mr. Wallace R. Clark and Miss Pauline Brigham of the music department are honorary members of the Association. They have attended every meeting since its organization about six years ago. The organization has a membership of about fifty music teachers from different sections of the south plains and has as its president, Miss Margaret Huff of Lubbock.

Further announcements concerning the meet will be made at a later date when more definite plans have been decided upon.

MRS. BLACK INJURED

Mrs. W. C. Black was slightly injured Saturday when her car collided with a South Plains Pipe Line car in the street in front of the First National Bank. Mrs. Black received only a few bruises.

HONORS SISTER

Mrs. L. G. Allen entertained Tuesday afternoon at bridge honoring her sister, Mrs. S. A. Street of Austin, who is her guest. The house was decorated in yellow chrysanthemums and nasturtiums. Bridge was played at five tables.

Dollars will go farther, and buy more in Canyon next Monday than any day during 1929, according to indications for the regular monthly Trades Day, which has been designated as Dollar Day. The plans for the day have been made by J. M. Lybrand, Jr. W. A. Pierce and C. L. Thompson.

Merchants are offering free gifts to those who register at their store by 12 o'clock noon, Monday. These gifts are explained in the advertisements to be found in this issue of the News.

Then at 2:30 o'clock new merchandise will be offered at public auction at the bandstand. Farmers are urged to bring in anything which they have to offer for sale, and put it in this free auction.

Among the merchandise offerings are the following:

Keg of Legear's Stock Tonic—Jarrett Drug Co.
Gallon of Prestone—Miller-Lybrand Co.

Case of Post Toasties, 2 5-gallon buckets of regular syrup and 2 5-gallon buckets of maple syrup—Canyon Grocery Co.

One Navajo blanket—Peoples Store.

One double blanket, wool-napped—Redfean Sisters.

One man's overcoat—Canyon Supply Co.

24 10-cent pencil tablets—Warwick Printing Co.

48-lb. sack Great West Flour—"M" System.

Puritan ham—City Market.

Case of Concho corn—Piggly Wiggly.

10-lb. bucket Karo, white; 10-lb. bucket Sioux Bee Comb Honey—Bellah Grocery.

8-lb. bucket Swift Jewel lard and 3-lb. bucket Hokus Pokus coffee—Hokus Pokus.

At 4:30 o'clock \$5 will be given for the boy or girl who can climb the greasy pole on the courthouse square.

At 5:00 o'clock there will be the drawing for the Billy Goat to be given by the Miller-Lybrand Co. Tickets may be secured by registering at the Miller-Lybrand Ford agency any time during the day.

Attention is especially directed to the gifts offered to those who register at the various stores. Read the advertisements for full particulars.

Frost and Light Freeze Stops Vegetable Growth

With a frost Sunday night and light freeze Monday night, followed by a cold north Tuesday and yesterday, growth of vegetation has been checked, and everything is taking on the appearance of fall.

Farmers were glad to see a light frost in order that the grain be better developed before being harvested.

ATTEND WEST TEXAS CHAMBER COMMERCE MEETING

Wallace R. Clark left Tuesday and W. A. Warren yesterday for El Paso to attend the annual meeting of the West Texas Chamber of Commerce. Mr. Clark is a director of the organization while Mr. Warren will represent Canyon at the meeting.

SHOOT A COYOTE

John Schramm shot a coyote south of town Thursday. These animals are seldom seen away from the canyons, owing to the effective war which has been waged for their destruction. Mr. Schramm is having the animal mounted.

Mr. Schramm will leave in a few days with men from Amarillo on a hunting trip into Old Mexico.

MRS. J. W. THOMAS VERY LOW

Word was received here this morning that Mrs. J. W. Thomas is not expected to live. Mrs. Thomas lived in Canyon for many years, but is now in Amarillo with her daughter, Mrs. J. R. Gaut.

Mrs. M. E. Rhoads, who is her daughter-in-law, and Mrs. Rhoads' daughters, Mrs. Levi Cole, and Mrs. Paul Lentner are going to Amarillo this morning. Mrs. Gus Thomas and Hazel Thomas are also going.

The Canyon News

CLYDE W. WARWICK
Owner and Publisher

Subscription \$1.50 PER YEAR

Entered at the postoffice at Canyon, Texas, as second class matter. Published weekly at office, 1513 North Avenue, Canyon, Texas.

Dispatch from Austin indicates that patrolmen will be placed upon all of the leading highways of the state. Instructions given these patrolmen will be unique. Instead of harassing traffic, these men will give service to those who use the highways. When they see a car from out of the state they are instructed to offer the services of the State of Texas for the convenience and comfort of the traveler. Road information will be offered. When a patrolman sees a car in trouble, or a woman changing a tire, he will offer assistance. In other words, these patrolmen are to assist in keeping traffic moving. However, they will be after the reckless drivers, and those who break the law, and the job to protect those who drive carefully, from those who violate every rule or law on the state roads.

It is stated that President Hoover has ordered telephones installed in all of the postoffices with a view of giving service to the public. Very likely the postal employees will rebel against such an order as it will mean more work. It is said that the President has the idea that governmental machinery is a part of the people and built for service of the people rather than for the emolument of those who are employed. Large corporations discovered many years ago that courtesy toward the public had large dividends. If the President has discovered that governmental officials should likewise be courteous to the public, and will respect the public's feelings, he will have done a great service for the country.

The world is paying its debt of gratitude to Thomas A. Edison this week. Fifty years ago he gave the world light through the invention of the lamp which has been a source of pleasure and profit to civilization. Americans should be especially grateful that it was one of our number which perfected this invention. Electric development has just started in the world. If the predictions of scientists may be taken as the index of future inventions and discovery.

Citizens of the Panhandle are glad that conditions are again peaceful in Borger, and that martial law has ended. There are thousands of good law-abiding citizens in Borger. The town is in the middle of one of the largest oil fields in the world. That it should be an attractive haven for crooks and gamblers is not the fault of Borger. Canyon might have had such history had oil been discovered in Randall county rather than in Hutchinson county. Now that the crooks have been driven out, neighbors of Borger trust that the good citizens of that town will not be further embarrassed by a return of the lawless element.

Earle B. Mayfield says he will not oppose Neff as a member of the state railway commission. His friends state that he is an avowed candidate for governor. In the meantime Farmer Jim says, "maybe, perhaps."

The News will start to print next week the big farm and improvement edition, which will go to the readers on November 7th. This newspaper will be the largest edition ever printed by the News, and we sincerely hope that it will be the best one ever produced. A special edition is a hard struggle, and a nerve wrecking job for everyone connected with the newspaper. There are so many things which demand attention all at the same time, and so many different articles which the publishers hope to get in the edition which are finally crowded out owing to lack of time to get them into type, that in the finality there are always some disappointments. It was hoped to publish the edition next week, but the time was too short. The News believes that the people of Randall county will appreciate the edition of the News when it reaches them November 7.

Monday is Trades Day in Canyon. In order to make Trades Day

Stomach Trouble

If you suffer from gas, bloating, heartburn, acid, or sick stomach, because of dyspepsia, try the Dioxet 15 Minute Test. Absolutely harmless. Works fast. Five positive digestive aids in pleasant tablet form. No soda, dopes or laxative. Get Dioxet from your druggist for only 60c. Try it. See how fast it works. Money back if it doesn't give stomach comfort in 15 minutes, and soon help restore good digestion.

A Friendly Word

By B. F. Fronbarger,
County Judge

I come to the good people of this county whose servant I am, and delight to be, to make a plea in the interest of fairness and helpfulness among fellow citizens and friends and neighbors and our growing boys and girls.

Many a sleepless night is passed by fathers and mothers over the short-comings and criminal tendencies of their children. Many of these delinquencies could be prevented and the sturdy qualities of honesty and industry implanted in the fertile minds of the young, by the older people dealing with the children of other people like they would like other people deal with theirs. We all know that there are periods in the life of every child through which he must be wisely guided or else he is almost sure to go on the rocks. Helpful cooperation here means much.

In this article I am calling attention to what seems to me to be a grievous lack of that cooperation and helpfulness that is due from everyone to every other one. I refer to the practice of selling to minors and taking checks drawn by these minors on their parents when there has been made no arrangement by the parents for the children to check on them. Then, when parents refuse to take up the checks, the check is turned over to a collector for collection. If this fails to bring over the parent to settlement, complaint is filed, and the county judge is expected to get busy and open the door of a reformatory for the delinquent child, and see that the child is soon behind the walls of that institution. I don't think such a procedure is fair to either the child, or to the parent, or to the

a real bargain event in Canyon, merchants are endeavoring to give the people of this section bargains which will pay them to come a hundred miles to buy. Make your plans now to be in Canyon next Monday.

It seems now that the Republican leaders at Washington are having a lot of fun, or thinking that they are having fun, over the scrap within the Democratic party over the leadership of Raskob. Raskob should get out. He had his chance and failed. He cannot lead the Democratic party to victory, and he should therefore give someone else a chance. However, that does not mean that we are in favor of fighting out in Texas politics this national problem. Texas has problems of its own, which are not affected by anything which may or may not happen in national Democratic party. This fight punishing the "bolters" is a lot of nonsense. If half the energy expended in useless talk was given to constructive work, Texas would be highly benefitted. To fight over the happenings of the national Democratic party while Texas institutions go on the rocks is the part of petty politics, and creates a condition which should shame every loyal citizen.

state. We all know that we would not like for one of our children to go to the reformatory until every means is exhausted in the effort to get the child on the right way before the reformatory is resorted to. We should help in every way possible to steer our boys and girls through those strange periods when their wants are so intense and their sense of right and wrong so uncertain and their thinking so erratic. It appears to me that to receive checks from children who have signed the parent's name is to encourage them in a practice that but few parents grant to their children. If this is done by a business man without a thought other than that he will be able to get his money, he shows himself to be a poor citizen, a sorry neighbor, and quite destitute of the qualities of a true friend.

No man can be a good citizen who does not, in his dealing, have regard to his neighbors interest. So it appears to me.

There is no interest so dear to good men and women and good government as that the youth of our country grow up and reach manhood well-fitted for good citizenship. This can be accomplished only through hearty, intelligent self sacrificial cooperation on the part of older people in our dealing with our growing boys and girls.

The practice to which I have here referred is not a general practice in our community. Yet I would have you know we are not clear of this sinning against one another and the state in this matter. Many times, mother and sometimes fathers, who have good reason to believe that a son or a daughter is being helped on toward the reformatory, when with a little help from their neighbors they could get the child over the danger period and into safe and sane paths, have come to me broken-hearted, and begging for help in saving their child. I plead for helpful co-operation. Don't accept such checks. Let parents make arrangements before the child is granted this privilege.

FIRST CHURCH OF CHRIST
SCIENTIST

15th Street, 7 Avenue.

"Probation After Death" will be the subject of the lesson sermon in First Church of Christ, Scientist next Sunday.

The Golden Text is, "He that shall endure unto the end, the same shall be saved." (Matthew 24:13.)

Among the citations which comprise the lesson sermon are the following from the Bible: "The Lord is my shepherd; I shall not want. Yea, though I walk the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me." (Psalms 23:1-4.)

NOTICE OF SHERIFF'S SALE
STATE OF TEXAS.

County of Randall.

By virtue of an Order of Sale issued out of the Honorable District Court of Randall County, on the 8th day of October, 1929, by the Clerk thereof, in the case of C. R. Burrow versus C. R. Brown and Eva Brown, No. 1197, and to me as Sheriff, directed and delivered, I will proceed to sell, within the hours prescribed by law for Sheriff's Sales, on the First Tuesday in November, A. D. 1929, it being the 5th day of said month, before the Court House door of said Randall County, in the City of Canyon, the following described property, to-wit:

All of Block number twenty five (25) of the Heller Addition to the Original Town of Canyon City, Randall County, Texas, as shown by the map or plat of said town and addition that is of record in the Deed Records of Randall County, Texas.

Levied on as the property of C. R. Brown and Eva Brown to satisfy a judgment amounting to \$893.75 in favor of C. R. Burrow and cost of suit.

Given under my hand, this 8th day of October, 1929.

2913 JOHN FRY, Sheriff.

NOTICE OF SHERIFF'S SALE
STATE OF TEXAS.

County of Randall.

By virtue of an Order of Sale issued out of the Honorable District Court of Randall County, on the 8th day of October, 1929, by the Clerk thereof, in the case of G. N. Caler versus W. M. Scofield and S. O. Golliday, No. 1167, and to me as Sheriff, directed and delivered, I will proceed to sell, within the hours prescribed by law for Sheriff's Sales, on the First Tuesday in November, A. D. 1929, it being the 5th day of said month, before the Court House door of said Randall County, in the City of Canyon, the following described property, to-wit:

440 acres out of survey No. 32, certificate 0-148 in Block M-9 made for John H. Gibson, situated in Randall County, Texas, said 440 acres described further as follows:

Beginning at the Southwest corner of survey No. 33 in Block M-9 made for John H. Gibson and the N. E. Corner of survey No. 5 in same block.

Thence East 1900 varas to the S. E. Corner of survey No. 33.

Thence South 1305 8-10 varas to corner in the West line of survey No. 41, in same block.

Thence West 1900 varas to corner in East line of survey No. 5 in same block.

Thence North 1305 8-10 varas to the place of beginning, containing 440 acres more or less.

Levied on as the property of W. M. Scofield and S. O. Golliday to satisfy a judgment amounting to \$976.44 in favor of G. N. Caler and cost of suit.

Given under my hand, this 8th day of October, 1929.

2913 JOHN FRY, Sheriff.

CITATION BY PUBLICATION
THE STATE OF TEXAS.

To the Sheriff or any Constable of Randall County, Greeting:

You are hereby commanded to summon Wm. Hatcher, and the heirs and legal representatives of the said Wm. Hatcher, whose names and addresses are unknown, by making publication of this Citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not then in the nearest County where a newspaper is published, to appear at the next regular term of the District Court of Randall County, to be held at the Court House thereof, in Canyon, Texas, on the first Monday in January A. D. 1930, the same being the 6th day of January A. D. 1930, then and there to answer a petition filed in said Court on the 30 day of September, A. D. 1929, in a suit, numbered on the docket of said court as No. 2814, wherein Panhandle Construction Company, a corporation is Plaintiff, and Wm. Hatcher and the heirs and legal representatives of the said Wm. Hatcher, whose names and addresses are unknown, are defendants, and said petition alleges:

That Wm. Hatcher is the owner of Lot Thirteen (13), in Block Sixty-one (61), in the original town of Canyon, in Randall County, Texas, in said City of Canyon, in said County of Randall County, Texas, is a municipal corporation, which corporation adopted by an election duly called, had and declared, the general paving law of the State of Texas, and had same in effect at all times herein mentioned. That the City of Canyon by its governing body, on the 3rd day of March, 1928, determined that certain streets, including the street abutting the above described lot, should be graded, filled, curbed, guttered, paved and drained, and on said date entered into a contract with plaintiff to so improve said street in accordance with the plans and

specifications on file and approved by the governing body, and agreed that when the improvement was completed and accepted by the city, it would issue its negotiable certificate to plaintiff herein, which certificate should be an evidence of indebtedness against the owner of said property, and all persons having an interest therein for the cost thereof, and should be a special lien upon the property prior to all liens of every character, save and except taxes, and that the payment for said work should be made in six equal installments, one due within ten days from the date of acceptance by the City, and one each year for five years thereafter. Such certificate provided that if default was made in the payment of any installment of principal or interest that the holder at his option might mature the whole of said certificate, and also providing that a reasonable attorney's fee should be added.

That the City of Canyon gave notice to the owner of said property and all persons interested therein, that at a named date of such persons desiring to contest said ordinance or said contract should appear before the governing body of said City, and object to same if they saw fit, and show why the improvement would not increase the value of the property, and that thereafter such hearing was had on the 3rd day of March, 1928, and it was confirmed that plaintiff should have its certificate setting forth the matters above upon the completion thereof and that the cost of said improvement would be \$139.20. That plaintiff did proceed with and improve said street and completed same according to plans and specifications prior to December 19, 1928, on which date the work was accepted by the City of Canyon, Texas, and negotiable certificate issued to this plaintiff, and thereby same became a lien upon said property superior to all claims except taxes, and same is now owned by plaintiff, and that by virtue of the matters above set out said Hatcher became indebted to plaintiff in the face of said certificate which is \$139.20. Plaintiff says no part of the principal has been paid, and two installments are past due, and after demand made defendants have failed and refused to pay same or any part thereof, and plaintiff has elected to exercise its option and mature the whole of said certificate, and has placed same with an attorney agreeing to pay him a reasonable fee, which fee is alleged to be \$100.00. That there is now due on account of the defaults aforesaid, the sum of \$139.20 principal, which bears 8% interest from September 19, 1928, and \$11.13 interest has accrued, and a reasonable attorney's fee of \$100.00, which defendants refuse to pay or any part thereof. Plaintiff prays for service of process upon defendants, and upon hearing it have its judgment for its debt as above set out, and that such judgment be decreed a lien upon said Lot 13, Block 61, superior to all rights of all defendants herein, and the land be sold to satisfy such judgment, and that it have its execution for any deficiency and for such other and further relief to which it may be entitled.

Herein fail not, and have you before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Given under my hand and the Seal of said Court, at office in Canyon, Texas, this 30 day of September A. D. 1929.

(Seal) BERL E. MAYFIELD,
Clerk District Court,
Randall County.

Childbirth

a happy event

"Mother's Friend" relieved me of the strain and the pain that came from the stretching of the skin and tissues," writes a young mother. "I did not suffer as I have heard other women say they did. My doctor recommended it to me."

Countless thousands of expectant mothers have had the same experience with "Mother's Friend." It is a scientifically-prepared skin lubricant and pain-reducer. "Mother's Friend" originated in the prescription of an eminent obstetrician, and has been in use for over 60 years.

You owe yourself the comfort "Mother's Friend" gives. It is so soothing and relaxing. It is used externally only—gently rubbed into the skin. Brings relief promptly. Very valuable in keeping the breasts in good condition. Also puts you in fine shape for the approaching ordeal.

"Mother's Friend" is on sale at all drug stores. \$1.25 per bottle. Try a massage with it tonight and notice the ease and comfort it gives. A booklet on "Things to Know Before Baby Comes" will be mailed in plain envelope, free, on request. Address: Bradfield Regulator Co., Dept. 14, Atlanta, Ga.

CANYON

The Canyon News

CLYDE W. WARWICK
Owner and Publisher

Subscription \$1.50 PER YEAR

Entered at the postoffice at Canyon, Texas, as second class matter. Published weekly at office, 1513 North Avenue, Canyon, Texas.

Dispatch from Austin indicates that patrolmen will be placed upon all of the leading highways of the state. Instructions given these patrolmen will be unique. Instead of harassing traffic, these men will give service to those who use the highways. When they see a car from out of the state they are instructed to offer the services of the State of Texas for the convenience and comfort of the traveler. Road information will be offered. When a patrolman sees a car in trouble, or a woman hanging a tire, he will offer assistance. In other words, these patrolmen are to assist in keeping traffic moving. However, they will be after the reckless drivers, and those who break the law, and the job to protect those who drive carefully, from those who violate every rule or law on the statute books.

It is stated that President Hoover has ordered telephones installed in all of the postoffices with a view of giving service to the public. Very likely the postal employees will rebel against such an order as it will mean more work. It is said that the President has an idea that governmental machinery is a part of the people and not for service of the people rather than for the emolument of those who are employed. Large corporations discovered many years ago that courtesy toward the public and large dividends. If the President has discovered that governmental officials should likewise be courteous to the public, and will assist that all government employees respect the public's feelings, he will have done a great service for the country.

The world is paying its debt of gratitude to Thomas A. Edison this week. Fifty years ago he gave the world light through the invention of the lamp which has been a source of pleasure and profit to civilization. Americans should be especially grateful that it was one of our number which perfected this invention. Electric development has just started in the world, if the predictions of scientists may be taken as the index of future inventions and discovery.

Citizens of the Panhandle are glad that conditions are again peaceful in Borger, and that martial law has ended. There are thousands of good law-abiding citizens in Borger. The town is in the middle of one of the largest oil fields in the world. That it should be an attractive haven for crooks and gamblers is not the fault of Borger. Canyon might have had such history had oil been discovered in Randall county rather than in Hutchinson county. Now that the crooks have been driven out, neighbors of Borger must that the good citizens of that town will not be further embarrassed by a return of the lawless element.

Barle B. Mayfield says he will not oppose Neff as a member of the state railway commission. His friends state that he is an avowed candidate for governor. In the meantime Farmer Jim says, "maybe, perhaps."

The News will start to print next week the big farm and improvement edition, which will go to the readers on November 7th. This newspaper will be the largest edition ever printed by the News, and we sincerely hope that it will be the best one ever produced. A special edition is a hard struggle, and a nerve wrecking job for everyone connected with the newspaper. There are so many things which demand attention all at the same time, and so many different articles which the publishers hope to get in the edition which are finally crowded out owing to lack of time to get them into type, that in the finality there are always some disappointments. It was hoped to publish the edition next week, but the time was too short. The News believes that the people of Randall county will appreciate the edition of the News when it reaches them November 7.

Monday is Trades Day in Canyon. In order to make Trades Day

A Friendly Word

By B. F. Pronabarger,
County Judge

I come to the good people of this county whose servant I am, and delight to be, to make a plea in the interest of fairness and helpfulness among fellow citizens and friends and neighbors and our growing boys and girls.

Many a sleepless night is passed by fathers and mothers over the short-comings and criminal tendencies of their children. Many of these delinquencies could be prevented and the sturdy qualities of honesty and industry implanted in the fertile minds of the young, by the older people dealing with the children of other people like they would like other people deal with theirs. We all know that there are periods in the life of every child through which he must be wisely guided or else he is almost sure to go on the rocks. Helpful cooperation here means much.

In this article I am calling attention to what seems to me to be a grievous lack of that cooperation and helpfulness that is due from everyone to every other one. I refer to the practice of selling to minors and taking checks drawn by these minors on their parents when there has been made no arrangement by the parents for the children to check on them. Then, when parents refuse to take up the checks, the check is turned over to a collector for collection. If this fails to bring over the parent to settlement, complaint is filed, and the county judge is expected to get busy and open the door of a reformatory for the delinquent child, and see that the child is soon behind the walls of that institution. I don't think such a procedure is fair to either the child, or to the parent, or to the

a real bargain event in Canyon, merchants are endeavoring to give the people of this section bargains which will pay them to come a hundred miles to buy. Make your plans now to be in Canyon next Monday.

It seems now that the Republican leaders at Washington are having a lot of fun, or thinking that they are having fun, over the scrap within the Democratic party over the leadership of Raskob. Raskob should get out. He had his chance and failed. He cannot lead the Democratic party to victory, and he should therefore give someone else a chance. However, that does not mean that we are in favor of fighting out in Texas politics this national problem. Texas has problems of its own, which are not affected by anything which may or may not happen in national Democratic party. This fight punishing the "bolters" is a lot of nonsense. If half the energy expended in useless talk was given to constructive work, Texas would be highly benefitted. To fight over the happenings of the national Democratic party while Texas institutions go on the rocks is the part of petty politics, and creates a condition which should shame every loyal citizen.

state. We all know that we would not like for one of our children to go to the reformatory until every means is exhausted in the effort to get the child on the right way before the reformatory is resorted to. We should help in every way possible to steer our boys and girls through those strange periods when their wants are so intense and their sense of right and wrong so uncertain and their thinking so erratic. It appears to me that to receive checks from children who have signed the parent's name is to encourage them in a practice that but few parents grant to their children. If this is done by a business man without a thought other than that he will be able to get his money, he shows himself to be a poor citizen, a sorry neighbor, and quite destitute of the qualities of a true friend.

No man can be a good citizen who does not, in his dealing, have regard to his neighbors interest. So it appears to me.

There is no interest so dear to good men and women and good government as that the youth of our country grow up and reach manhood well-fitted for good citizenship. This can be accomplished only through hearty, intelligent self-sacrificial cooperation on the part of older people in our dealing with our growing boys and girls.

The practice to which I have here referred is not a general practice in our community. Yet I would have you know we are not clear of thus sinning against one another and the state in this matter. Many times, mother and sometimes fathers, who have good reason to believe that a son or a daughter is being helped on toward the reformatory, when with a little help from their neighbors they could get the child over the danger period and into safe and sane paths, have come to me broken-hearted, and begging for help in saving their child. I plead for helpful co-operation. Don't accept such checks. Let parents make arrangements before the child is granted this privilege.

FIRST CHURCH OF CHRIST
SCIENTIST

15th Street, 7 Avenue.

"Probation After Death," will be the subject of the lesson sermon in First Church of Christ, Scientist next Sunday.

The Golden Text is, "He that shall endure unto the end, the same shall be saved." (Matthew 24:13.)

Among the citations which comprise the lesson sermon are the following from the Bible: "The Lord is my shepherd; I shall not want. Yea, though I walk the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me." (Psalms 23:1-4.)

Levied on as the property of C. R. Brown and Eva Brown to satisfy a judgment amounting to \$893.75 in favor of C. R. Burrow and cost of suit.

Given under my hand, this 8th day of October, 1929.

JOHN FRY, Sheriff.

NOTICE OF SHERIFF'S SALE
STATE OF TEXAS.

County of Randall.
By virtue of an Order of Sale issued out of the Honorable District Court of Randall County, on the 8th day of October, 1929, by the Clerk thereof, in the case of G. N. Caler versus W. M. Scofield and S. O. Golliday, No. 1167, and to me, as Sheriff, directed and delivered, I will proceed to sell, within the hours prescribed by law for Sheriff's Sales, on the First Tuesday in November, A. D. 1929, it being the 5th day of said month, before the Court House door of said Randall County, in the City of Canyon, the following described property, to-wit:

40 acres out of survey No. 32, certificate 0-148 in Block M-9 made for John H. Gibson, situated in Randall County, Texas, said 440 acres described further as follows:

Beginning at the southwest corner of survey No. 33 in Block M-9 made for John H. Gibson and the N. E. Corner of survey No. 5 in same block.

Thence East 1900 varas to the S. E. Corner of survey No. 33.

Thence South 1305 8-10 varas to corner in the West line of survey No. 41, in same block.

Thence West 1900 varas to corner in the East line of survey No. 5 in same block.

Thence North 1305 8-10 varas to the place of beginning, containing 440 acres more or less.

Levied on as the property of W. M. Scofield and S. O. Golliday to satisfy a judgment amounting to \$976.44 in favor of G. N. Caler and cost of suit.

Given under my hand, this 8th day of October, 1929.

JOHN FRY, Sheriff.

CITATION BY PUBLICATION
THE STATE OF TEXAS.

To the Sheriff or any Constable of Randall County, Greeting:

You are hereby commanded to summon Wm. Hatcher, and the heirs and legal representatives of the said Wm. Hatcher, whose names and addresses are unknown, by making publication of this Citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not then in the nearest County where a newspaper is published, to appear at the next regular term of the District Court of Randall County, to be held at the Court House thereof, in Canyon, Texas, on the first Monday in January A. D. 1930, the same being the 6th day of January A. D. 1930, then and there to answer a petition filed in said Court on the 30 day of September, A. D. 1929, in a suit, numbered on the docket of said court as No.

wherein Panhandle Construction Company, a corporation is Plaintiff, and Wm. Hatcher and the heirs and legal representatives of the said Wm. Hatcher, whose names and addresses are unknown, are defendants, and said petition alleging:

That Wm. Hatcher is the owner of Lot Thirteen (13), in Block Sixty-one (61), in the original town of Canyon, in Randall County, Texas. That the City of Canyon, in Randall County, Texas, is a municipal corporation, which corporation adopted by an election duly called, had and declared the general paving law of the State of Texas, and had same in effect at all times herein mentioned. That the City of Canyon by its governing body, on the 3rd day of March, 1928, determined that certain streets, including the street abutting the above described lot, should be graded, filled, curbed, guttered, paved and drained, and on said date entered into a contract with plaintiff to so improve said street in accordance with the plans and

specifications on file and approved by the governing body, and agreed that when the improvement was completed and accepted by the city, it would issue its negotiable certificate to plaintiff herein, which certificate should be an evidence of indebtedness against the owner of said property, and all persons having an interest therein for the cost thereof, and should be a special lien upon the property prior to all liens of every character, save and except taxes, and that the payment for said work should be made in six equal installments, one due within ten days from the date of acceptance by the City, and one each year for five years thereafter. Such certificate provided that if default was made in the payment of any installment of principal or interest that the holder at his option might mature the whole of said certificate, and also providing that a reasonable attorney's fee should be added.

That the City of Canyon gave notice to the owner of said property and all persons interested therein, that at a named date of such persons desiring to contest said ordinance or said contract should appear before the governing body of said City, and object to same if they saw fit, and show why the improvement would not increase the value of the property, and that thereafter such hearing was had on the 3rd day of March, 1928, and it was confirmed that plaintiff should have its certificate setting forth the matters above upon the completion thereof, and that the cost of said improvement would be \$139.20. That plaintiff did proceed with and improve said street and completed same according to plans and specifications prior to December 19, 1928, on which date the work was accepted by the City of Canyon, Texas, and negotiable certificate issued to this plaintiff, and thereby same became a lien upon said property superior to all claims except taxes, and same is now owned by plaintiff, and that by virtue of the matters above set out, said Hatcher became indebted to plaintiff in the face of said certificate which is \$139.20. Plaintiff says no part of the principal has been paid, and two installments are past due, and after demand made defendants have failed and refused to pay same or any part thereof, and plaintiff has elected to exercise its option and mature the whole of said certificate, and has placed same with an attorney agreeing to pay him a reasonable fee, which fee is alleged to be \$100.00. That there is now due on account of the defaults aforesaid, the sum of \$139.20 principal, which bears 8% interest from September 19, 1928, and \$11.13 interest has accrued, and a reasonable attorney's fee of \$100.00, which defendants refuse to pay or any part thereof. Plaintiff prays for service of process upon defendants, and upon hearing it have its judgment for its debt as above set out, and that such judgment be decreed a lien upon said Lot 13, Block 61, superior to all rights of all defendants herein, and the land be sold to satisfy such judgment, and that it have its execution for any deficiency and for such other and further relief to which it may be entitled.

Herein fail not, and have you before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Given under my hand and the Seal of said Court, at office in Canyon, Texas, this 30 day of September, A. D. 1929.

(Seal) BERL E. MAYFIELD,
Clerk District Court.

2814 Randall County.

Childbirth

a happy event

"Mother's Friend" relieved me of the strain and the pain that came from the stretching of the skin and tissues," writes a young mother.

"I did not suffer as I have heard other women say they did. My doctor recommended it to me."

Countless thousands of expectant mothers have had the same experience with "Mother's Friend." It is a scientifically-prepared skin lubricant and pain-re-

liever. "Mother's Friend" originated in the prescription of an eminent obstetrician, and has been in use for over 60 years.

You owe yourself the comfort "Mother's Friend" gives. It is so soothing and relaxing! It is externally only—gently rubbed into the skin. Brings relief promptly. Very valuable in keeping the breasts in good condition. Also puts you in fine shape for the approaching ordeal.

"Mother's Friend" is on sale at all drug stores. \$1.25 per bottle. Try a massage with it tonight and note the ease and comfort it gives. A booklet on "Things to Know Before Baby Comes" will be mailed in plain envelope, free, on request. Address: Belding Regulator Co., Dept. 14, Atlanta, Ga.

Buffaloes Play Simmons at Butler Field in Amarillo Saturday Afternoon at 3:00

When the Simmons Cowboys and the West Texas Buffaloes meet October 26 in Amarillo under the auspices of the Tri-State Fair association, a traditional and colorful drama will be unfolded. These two schools have been enemies for a long time and their battles for football supremacy go back into the days when neither school had much claim to greatness of any sort.

In 1924 Simmons University sent one of the greatest teams in its history to do battle with the Buffaloes on the Canyon field. The Buffs had whipped the Cowboys the year before in Abilene 6 to 0 and the bovine tamers were pointed and keyed up for the game to avenge that defeat. All the dope had it that Simmons would win by a good margin, but those who had figured the dope reckoned without the power of an inspired Buffalo eleven.

The game was played as the headliner on a Canyon homecoming day and all the glamour surrounding such an event was in evidence. After an hour of bitter struggle, the Buffaloes were victorious by a small margin, 13 to 12. As that day was Home-Coming, all the ex-students claimed the season was a success. As for the Cowboys they were a maddened lot. Before they left the field that day, everyone of them gathered in the center of the gridiron and each with his own blood signed a pact that no Buffalo eleven should ever beat a Cowboy team again. And from that day to this the Cowboys have won every single game, save one, a 3 to 2 affair on the Buffs field the following year. It is easily understood from the foregoing that when the two teams

meet there is going to be something doing. But if the team feels as they did when they played the Lions at Commerce, look out Simmons.

Never before in the history of the West Texas State Teachers College has the student body received a telegram from the Buffaloes like the one that came from the team just before the game Friday, Oct. 18. Every player had a statement relative to the wiping out of the Lion's Den. And it happened. The Buffaloes, under the guidance of Cleveland Jones during the last three quarters of the game, ran wild. They were so anxious to go that they were penalized more than 200 yards thruout the game.

From the recent victory for the Buffaloes, we wonder—has Coach Reeds found a winning combination? Will he play the same men against Simmons? That's what we should find out by seeing this game Saturday, Oct. 26. If we want to win this game bad enough we can do it. The price is great and we can't win unless we pay it, but why not withdraw the word "can't" and let it be "We Will?"

When we win the Simmons game all the rest will be on the home field. Saturday, Nov. 2, has been chosen as home-coming for all ex-students of West Texas. The main feature of the day will be the football game between Daniel Baker, the T. I. A. A. champions of last year, and the Buffaloes. This year the Buffaloes are making up for being the last in the row. They will show Daniel Baker how football is played in the west. The Thundering Herd will have a scrapping eleven on the field and will go to the last whistle to make

Was Just Like Throwing His Money Away

"Orgatone Has Done More For My Wife Than All Other Treatments She Took," Says Amarillo Man.

"Orgatone has certainly done fine work for my wife and I am glad to recommend it to others who may be suffering like she did," said H. L. Hefley, a valued employee of the Smelter, who lives at 116 McMaster's Street, Amarillo, Texas.

"My wife is strong, hearty and full of energy now," continued Mr. Hefley, "and is feeling a hundred per cent better than she was the day she began taking Orgatone. She had suffered from sick headaches for fifteen years and had become almost a nervous wreck. Her stomach was so out of order that everything she ate hurt her. After eating, especially she would have dizzy spells and gas and it was such an effort for her to breathe at times, it was really like one hard at work. She had fearful headaches, and couldn't get any sound sleep on account of her kidneys and was tired and languid all the time, and fell off in strength rapidly.

"I paid out hundreds of dollars for treatment and medicine of various kinds and it was just like throwing my money away, as for the good it done her. It's the truth, four bottles of Orgatone have done her more good than everything else put together. Her headaches have stopped and this fact alone is proof of the fine work Orgatone has done in correcting her troubles and putting her system in good shape. But that isn't all; she has a splendid appetite, eats anything she wants and is like a different woman altogether. Her nervousness and headaches have disappeared as well as her kidney disorder and she sleeps like a healthy child every night. The gas has stopped forming on her stomach and she's never bothered with dizzy spells or shortness of breath now. She is stronger and better off in every way, right now, than she's been in the past fifteen years and I'm obliged to say a good word for Orgatone."

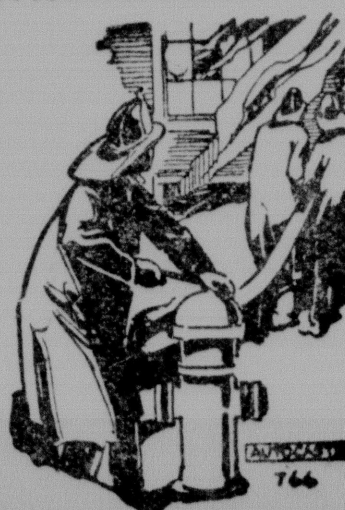

Genuine Orgatone is manufactured by one of the world's largest laboratories and is not a so-called secret or patent remedy but a new scientific bile treatment and is sold in Canyon by the Jarrett Drug Co.

this a day of victory to be remembered by all football fans in the Panhandle.

But the barking of signals this week, will be the preparations for Simmons. In all probability Cleve Jones will see much service in this game as general for the squad. When Jones entered training camp this year he stated that no one was going to beat him out of a place and it looks as if he was putting that statement into showing power. Besides Jones, there will be Gerald, the best gainer on the team, Logan and Elkins as tackles, Gillham and Miller as guards, Thompson, Bass, and McClendon as centers, Newman, Barrett, Powell, Clark, and McInnis as backs. Besides many other star Buffaloes will be in use: Jameson as tackle, Ward, Haley, Bandy, and Fuller as ends, Cooper, Comer, Sanders, and Penick as other linemen.

We are going to win that game. Let's send Simmons home as we did the year following their assertion that no Buffalo eleven would defeat them again.

No child ever is in September what he was in June.

They May Call You

When the firemen call, dressed for action, it is too late to think of insurance. The loss may be large—or the loss may be small—but a loss nevertheless unless you have your home and personal property well insured. Winter is the season of the year when fire losses are greatest. Putting off taking out a fire insurance policy is a gamble which no one can afford. Let us explain the economy which may be enjoyed in various kinds of policies.

CANYON, TEXAS

SPECIALS IN PANHANDLE WHEAT LANDS
AND RANCHES

PERFECT 320 ACRE TRACT RAW LAND

(1) This tract is located 9 miles from Canyon, Texas; is all fenced with a good four wire fence, has a good well and mill, and a good concrete drinking tub. Every acre of this land is just alike, and is located only 3 miles from a good elevator.

PRICE \$31.50. Terms: \$2500.00 Cash, the remainder 1 to 5 years.

A GOOD 320 ACRE TRACT WITH SOME WHEAT

(2) This tract is located 9 miles from Canyon, Texas, on a good Highway, has a good four wire fence, well and mill, good concrete drinking tub, and 113 acres in winter wheat which is looking fine. If bought at once, all the wheat will go with the place at the price. There is a small lake in one corner of this tract which would be considered by many as an advantage instead of a disadvantage to the place. This little lake we feel sure would not take up more than 10 acres, and is right in the corner. The wheat crop should more than repay the cash payment on this property within 9 months, and we feel confident that if this property is handled in the right manner that it will pay the original purchase price within three years.

PRICE \$37.50. Terms: \$3,000.00 Cash, remainder easy.

A PERFECT SECTION OF LAND AND 500 ACRES IN WHEAT

(3) This tract is located on one of the main highways and only 3 miles from a good County seat town, with good schools and churches. This has a good well and mill, shallow water, a fair 4 room house, and other small improvements, all fenced and cross fenced, 500 acres in wheat and all of the wheat goes if the property is bought in the next few weeks. This is land that is worth while, good soil and good water. The location of this property makes it worthy of consideration for a real home. We shall be glad to furnish further information on same on request.

PRICE \$50.00 per acre; Terms \$10,000.00 Cash and agreeable terms to purchaser on remainder.

A HIGHLY IMPROVED 320 ACRE TRACT NEAR CANYON, TEXAS

(4) This tract is located about 2 miles from Canyon, Texas, with a good public road on three sides, all fenced and cross fenced, good house and good sheds and barns, approximately 200 acres in cultivation, rented for the year 1930, purchaser to receive the usual customary rent. This is all good land and the location is ideal; will make a dandy home for some one. Just a mile off of paved highway. There are some nice fruit trees, and some nice shade trees on this property. It has an ideal garden plot all fenced. This property will have to be seen to be appreciated.

PRICE \$50.00 per acre. Terms: \$6,000.00 Cash, remainder on agreeable terms.

235 ACRES HIGHLY IMPROVED

(5) This tract is located near the West Texas State Teachers College and has a good 7-room house and bath; private electric light plant and natural gas. In fact you have every convenience on this little farm you would have in a city. There are many out buildings, chicken houses, etc., about 25 acres in alfalfa. This place is all fenced and cross fenced; about 150 acres in cultivation. It is fine for any one wanting to get near the college and make all expenses at home. This place will have to be seen to be appreciated.

PRICE \$100.00 per acre; Terms \$5,000.00 Cash, easy terms on the remainder. Might consider a small amount of trade if priced on a cash basis.

80 ACRE COTTON FARM

(6) There is no occasion for any man to rent a cotton farm when a good one can be bought like the above. LISTEN.

80 Acres, all in cultivation, all fenced and cross fenced, well and mill, good 4-room house and in 5 miles of the best town in Collingsworth County, Texas. Possession can be had Jan. 1st. This place should pay out in 2 years with a good average cotton crop.

PRICE \$55.00 per acre. Terms: \$1000.00 Cash, the remainder easy.

640 ACRES GOOD RAW LAND

(7) This tract is not more than 10 miles from a good market for grain and is located in Randall County, Texas; all fenced; no other improvements, and not to exceed 5 acres on the entire tract that cannot be cultivated profitably.

PRICE \$22.50 per acre. Terms: \$5,000.00 Cash, remainder easy.

THIS PRICE IS FOR QUICK SALE.

1920 ACRES IN A SOLID BODY IMPROVED

(8) This tract is all in a solid body and has a fair 3-room house, two good wells and mills, a large surface tank, all fenced and cross fenced, about 200 acres in cultivation, not to exceed 75 acres in the entire body that is not good farm land. You who want a good sized wheat farm, we want you to take special note of this: This is a dandy wheat soil, and the soil will run from 2 to 4 feet in depth, underlaid with a good clay subsoil, not to exceed 6 miles of a good grain elevator on the main line of the Santa Fe Railroad. We will be only too glad to show this property, and we know after inspecting same you will say yourself that it is a bargain.

PRICE \$30.00 per acre. Terms: \$15,000.00 Cash, the remainder easy.

12,000 ACRE CATTLE AND SHEEP RANCH

(9) This ranch is located in the north eastern part of New Mexico and is what is called a mountain ranch, well watered and fenced, good game, such as deer and turkey can be found on the ranch, not to exceed 15 miles from a good railroad town and shipping point. If you are thinking of going into the cattle or sheep business it will be dollars in your pocket to see us about this property.

PRICE \$5.00 per acre. Some terms can be arranged on a portion of this if desired.

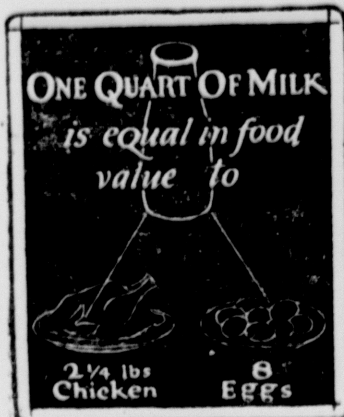

IF YOU DO NOT SEE JUST WHAT YOU ARE WANTING ON THIS LIST WRITE US, AS WE FEEL SURE THAT WE CAN FILL YOUR NEEDS IN THE WAY OF A RANCH OR FARM.

ALL PRICES SUBJECT TO CHANGE OR WITHDRAWAL WITHOUT NOTICE.

Buffaloes Play Simmons at Butler Field in Amarillo Saturday Afternoon at 3:00

When the Simmons Cowboys and the West Texas Buffaloes meet October 26 in Amarillo under the auspices of the Tri-State Fair association, a traditional and colorful drama will be unfolded. These two schools have been enemies for a long time and their battles for football supremacy go back into the days when neither school had much claim to greatness of any sort.

In 1924 Simmons University sent one of the greatest teams in its history to do battle with the Buffaloes on the Canyon field. The Buffs had whipped the Cowboys the year before in Abilene 6 to 0 and the bovine tamers were pointed and keyed up for the game to avenge that defeat. All the dope had it that Simmons would win by a good margin, but those who had figured the dope reckoned without the power of an inspired Buffalo eleven.

The game was played as the headliner on a Canyon homecoming day and all the glamour surrounding such an event was in evidence. After an hour of bitter struggle, the Buffaloes were victorious by a small margin, 13 to 12. As that day was Home-Coming, all the ex-students claimed the season was a success. As for the Cowboys they were a maddened lot. Before they left the field that day, everyone of them gathered in the center of the gridiron and each with his own blood signed a pact that no Buffalo eleven should ever beat a Cowboy team again. And from that day to this the Cowboys have won every single game, save one, a 3 to 2 affair on the Buffs field the following year. It is easily understood from the foregoing that when the two teams

meet there is going to be something doing. But if the team feels as they did when they played the Lions at Commerce, look out Simmons.

Never before in the history of the West Texas State Teachers College has the student body received a telegram from the Buffaloes like the one that came from the team just before the game Friday, Oct. 18. Every player had a statement relative to the wiping out of the Lion's Den. And it happened. The Buffaloes, under the guidance of Cleveland Jones during the last three quarters of the game, ran wild. They were so anxious to go that they were penalized more than 200 yards thruout the game.

From the recent victory for the Buffaloes, we wonder—has Coach Reeds found a winning combination? Will he play the same men against Simmons? That's what we should find out by seeing this game Saturday, Oct. 26. If we want to win this game bad enough we can do it. The price is great and we can't win unless we pay it, but why not withdraw the word "can't" and let it be "We Will?"

When we win the Simmons game all the rest will be on the home field. Saturday, Nov. 2, has been chosen as home-coming for all ex-students of West Texas. The main feature of the day will be the football game between Daniel Baker, the T. I. A. A. champions of last year, and the Buffaloes. This year the Buffaloes are making up for being the last in the row. They will show Daniel Baker how football is played in the west. The Thundering Herd will have a scrapping eleven on the field and will go to the last whistle to make

Was Just Like Throwing His Money Away

"Orgatone Has Done More For My Wife Than All Other Treatments She Took," Says Amarillo Man.

"Orgatone has certainly done fine work for my wife and I am glad to recommend it to others who may be suffering like she did," said H. L. Hefley, a valued employee of the Smelter, who lives at 116 McMaster's Street, Amarillo, Texas.

"My wife is strong, hearty and full of energy now," continued Mr. Hefley, "and is feeling a hundred per cent better than she was the day she began taking Orgatone. She had suffered from sick headaches for fifteen years and had become almost a nervous wreck. Her stomach was so out of order that everything she ate hurt her. After eating, especially she would have dizzy spells and gas and it was such an effort for her to breathe at times, it was really like one hard at work. She had fearful headaches, and couldn't get any sound sleep on account of her kidneys and was tired and languid all the time, and fell off in strength rapidly.

"I paid out hundreds of dollars for treatment and medicine of various kinds and it was just like throwing my money away, as for the good it did her. It's the truth, four bottles of Orgatone have done her more good than everything else put together. Her headaches have stopped and this fact alone is proof of the fine work Orgatone has done in correcting her troubles and putting her system in good shape. But that isn't all; she has a splendid appetite, eats anything she wants and is like a different woman altogether. Her nervousness and headaches have disappeared as well as her kidney disorder and she sleeps like a healthy child every night. The gas has stopped forming on her stomach and she's never bothered with dizzy spells or shortness of breath now. She is stronger and better off in every way, right now, than she's been in the past fifteen years and I'm obliged to say a good word for Orgatone."

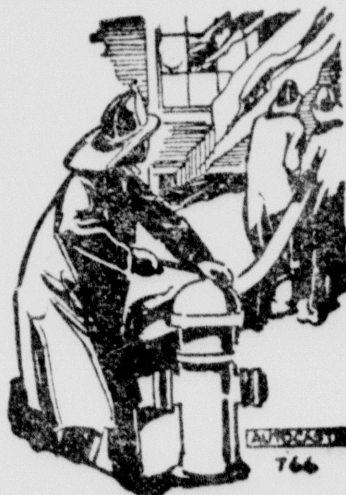

Genuine Orgatone is manufactured by one of the world's largest laboratories and is not a so-called secret or patent remedy but a new scientific bile treatment and is sold in Canyon by the Jarrett Drug Co.

this a day of victory to be remembered by all football fans in the Panhandle.

But the barking of signals this week, will be the preparations for Simmons. In all probability Cleveland Jones will see much service in this game as general for the squad. When Jones entered training camp this year he stated that no one was going to beat him out of a place and it looks as if he was putting that statement into showing power. Besides Jones, there will be Gerald, the best gainer on the team, Logan and Elkins as tackles, Gillham and Miller as guards, Thompson, Bass, and McClendon as centers. Newman, Barrett, Powell, Clark, and McInnis as backs. Besides many other star Buffaloes will be in use: Jameson as tackle, Ward, Haley, Bandy, and Fuller as ends, Cooper, Comer, Sanders, and Penick as other linemen.

We are going to win that game. Let's send Simmons home as we did the year following their assertion that no Buffalo eleven would defeat them again.

No child ever is in September what he was in June.

They May Call You

When the firemen call, dressed for action, it is too late to think of insurance. The loss may be large—or the loss may be small—but a loss nevertheless unless you have your home and personal property well insured. Winter is the season of the year when fire losses are greatest. Putting off taking out a fire insurance policy is a gamble which no one can afford. Let us explain the economy which may be enjoyed in various kinds of policies.

Attack of Buffaloes Becomes Powerful Thing In Victory Over Lions at Commerce Saturday

Cleveland Jones Goes Into Game With Determination That Mounts Score Higher and Higher; Pat Gerald Does Good Playing.

After playing three and one-half games in a more or less groping manner as to offensive, the Buffaloes suddenly came to life in the last half of their game with the East Texas Lions at Commerce with an attack that clicked with a vengeance. It seems that Cleveland Jones, up until that time second string quarterback, went into the game in the final half and his presence supplied the necessary spark.

Pat Gerald, who has been playing quarter, is too good an offensive player to be using himself for the barking job; as soon as Gerald was relieved of the duty of

running the team he became a terror in passing, kicking, running, and blocking. Gerald is a top notch halfback and it appears that the duties of piloting have been cramping his style, for the minute he became a halfback 50 per cent was added to the strength of the attack.

After the first half of the game which ended in a deadlock, the Buffs were in complete control of the situation. The passing and running of the Lions was totally nullified by the impenetrable defense offered by the Herd. On the other hand, Newman and Gerald ran hog wild over the field, and the flips of Gerald were handled by Jones and Newman in a most convincing manner.

The superiority displayed by the Buffs raised their stock a great deal for the Simmons encounter in Amarillo next Saturday. At this time the Herd rates every bit as high in the game as the Cowboys do, and interest in the game has taken a decided hop.

J. E. Haley Leaves Canyon Tomorrow For Austin Work

J. Evetts Haley, known throughout Texas for his work in historical fields, leaves Canyon tomorrow for the University of Texas, where he will begin his work as field secretary for the Texas Historical Association. His work there will be much the same as it has been here with the Panhandle-Plains Historical Association.

Mrs. Haley will accompany her husband. Mr. Haley has been confined to his home here about a month due to a car accident which he received.

Mr. Haley's work will be carried on by Mr. L. P. Sheffy.

JUST DO THEIR STUFF
Men singled out by Destiny for some great purpose, seldom have an inkling of the history they are making.

HINTS FOR THE HOME

BY NANCY HART

With the "indoor season" just ahead, many homes will find themselves considering the purchase of a brand new radio to replace one now out of date or—thrill of all thrills—it may be the first radio to come into the home!

When setting forth to buy the great question is always what type, what make what design will prove best. A definite rule cannot possibly be laid down for guidance, for today there are many excellent radio sets on the market. Splendid tonal quality may be found in the products of several leading companies. Beauty of design is the general rule. Ease of operation has been the aim of all designers. Prices can be found to fit any purse. With this promising field to roam in there seems but one point which need concern us greatly, and that is—the strength and reliability of the company making the set.

Regardless of preliminary good behavior, we want to know that our radio is sponsored by a concern whose policies have guided it safely through years of operation, so that we may rest assured our instrument will serve us reliably for a very long time. After all—buying a radio is not widely different from the purchase of a car or a sewing machine—two investments we would never think of making without the comfort of a good, reliable name to lean back upon.

Special Breakfast Menu

Grape Cup
Waffles
Creamed chicken
Pecan muffins
Coffee.

Eggs Piquant

Slice five hard-boiled eggs, add 1 cupful cooked macaroni, $\frac{1}{2}$ cup grated Swiss cheese, 1 $\frac{1}{2}$ cups white sauce and seasoning of salt, onion juice, paprika and anchovy essence. Turn into buttered baking dish, cover with $\frac{1}{2}$ cup buttered crumbs and a sprinkling of cheese. Brown in the oven. Serve as a main dish with mixed vegetable salad.

Eggless Muffins

Sift together 2 cups flour, $\frac{1}{2}$ cup sugar, 4 ts. baking powder, $\frac{1}{2}$ ts. salt. Work in 2 tbs. butter and add gradually 1 scant cup of milk. Stir in a cup of blueberries or chopped raisins and bake in buttered muffin pans.

Creamed Spinach

Cook 2 lbs. spinach in a covered pan; drain and chop fine. Return to fire, add 1 tbs. melted butter, salt and pepper and when butter melts add 2 tbs. cream and 2 hard-cooked egg-yolks chopped fine.

Pineapple and Grape Salad

Dice a pineapple and mix with an equal amount of white grapes from which skins and seeds have been removed. Add one cup of finely chopped nuts. Serve with cream mayonnaise.

When Peeling Apples

Always use a silver knife instead of a steel one when peeling apples and you will avoid discoloration on the fingers.

SEES FIRST MOVIE

Superior, Wis.—Peter Dale, 84, or Cornucopio, has just recently witnessed his first picture show, a talkie, and stayed to see it several times. Mr. Dale, who fifty years ago was a member of the Wisconsin Legislature, was most amazed at the picture.

EMULATING THE CAT

Antuckian Held For Slaying
Who May Recover—Headline
Nashville Banner.

Are you giving your child the right chance?

Do you not marvel when thinking of the inward physical workings of your child—bone, muscle and brain growing day—building onward toward manhood or womanhood?

Of course it is the blood stream which carries the millions of tiny cells to all parts of the body. It is the healthy, rich, red-blood-cells that does this building, ridding off disease and making strong and healthy bodies.

When a child's appetite wanes he loses weight, the complexion comes sallow or pimply and he appears—then you instantly know that the inward mechanism is not working properly—that a good blood tonic is required.

In such cases S.S.S. is the proper tonic. It is made from

S.S.S. builds sturdy health

fresh vegetable drugs—therefore will not harm the most delicate system. It improves the appetite and restores the red-blood-cells to normal; lost weight is regained; skin eruptions clear up and color returns to the cheeks.

Give your child the right chance to develop. You will not regret it in later years.

For more than 100 years S.S.S. has been helping children and their elders regain strength and vitality.

The seasoning and aging process, used in the manufacture of S.S.S., makes it pleasant to the taste.

All good drug stores sell S.S.S. in two sizes. Ask for the larger size. It is more economical.

Are you giving
your child the
right chance?

Do you not marvel when think-
ing of the inward physical
kings of your child—bone,
muscle and brain growing
day—building onward to
manhood or womanhood?

Of course it is the blood stream
which carries the millions of tiny
cells to all parts of the body.
It is the healthy, rich, red-
blood-cells that does this building,
riding off disease and making
strong and healthy bodies.

When a child's appetite wanes
he loses weight, the complexion
comes sallow or pimples and
he appears—then you instantly
know that the inward mechanism
is not working properly—that
a good blood
tonic is re-
quired.

In such cases
S.S.S. is the
proper tonic. It
is made from

Attack of Buffaloes Becomes Powerful Thing In Victory Over Lions at Commerce Saturday

Cleveland Jones Goes Into Game With Determina-
tion That Mounts Score Higher and Higher; Pat
Gerald Does Good Playing.

After playing three and one-half games in a more or less groping manner as to offensive, the Buffaloes suddenly came to life in the last half of their game with the East Texas Lions at Commerce with an attack that clicked with a vengeance. It seems that Cleveland Jones, up until that time second string quarterback, went into the game in the final half and his presence supplied the necessary spark.

Pat Gerald, who has been playing quarter, is too good an offensive player to be using himself for the barking job; as soon as Gerald was relieved of the duty of

running the team he became a terror in passing, kicking, running, and blocking. Gerald is a top notch halfback and it appears that the duties of piloting have been cramping his style, for the minute he became a halfback 50 per cent was added to the strength of the attack.

After the first half of the game which ended in a deadlock, the Buffs were in complete control of the situation. The passing and running of the Lions was totally nullified by the impenetrable defense offered by the Herd. On the other hand, Newman and Gerald ran hog wild over the field, and the flaps of Gerald were handled by Jones and Newman in a most convincing manner.

The superiority displayed by the Buffs raised their stock a great deal for the Simmons encounter in Amarillo next Saturday. At this time the Herd rates every bit as high in the game as the Cowboys do, and interest in the game has taken a decided hop.

J. E. Haley Leaves Canyon Tomorrow For Austin Work

J. E. Haley, known throughout Texas for his work in historical fields, leaves Canyon tomorrow for the University of Texas, where he will begin his work as field secretary for the Texas Historical Association. His work there will be much the same as it has been here with the Panhandle-Plains Historical Association.

Mrs. Haley will accompany her husband. Mr. Haley has been confined to his home here about a month due to a car accident which he received.

Mr. Haley's work will be carried on by Mr. L. F. Sheffy.

JUST DO THEIR STUFF
Men singled out by Destiny for some great purpose, seldom have an inkling of the history they are making.

HINTS FOR THE HOME

BY NANCY HART

With the "indoor season" just ahead, many homes will find themselves considering the purchase of a brand new radio to replace one now out of date or—thrill of all thrills—it may be the first radio to come into the home!

When setting forth to buy the great question is always what type, what make, what design will prove best. A definite rule cannot possibly be laid down for guidance, for today there are many excellent radio sets on the market. Splendid tonal quality may be found in the products of several leading companies. Beauty of design is the general rule. Ease of operation has been the aim of all designers. Prices can be found to fit any purse. With this promising field to roam in there seems but one point which need concern us greatly, and that is—the strength and reliability of the company making the set.

Regardless of preliminary good behavior, we want to know that our radio is sponsored by a concern whose policies have guided it safely through years of operation, so that we may rest assured our instrument will serve us reliably for a very long time. After all—buying a radio is not widely different from the purchase of a car or a sewing machine—two investments we would never think of making without the comfort of a good, reliable name to lean back upon.

Special Breakfast Menu
Grape Cup
Waffles
Creamed chicken
Pecan muffins
Coffee.

Eggs Plquant

Shoe five hard-boiled eggs, add 1 cupful cooked macaroni, 1/2 cup grated Swiss cheese, 1 1/2 cups white sauce and seasoning of salt, onion juice, paprika and anchovy essence. Turn into buttered baking dish, cover with 1/2 cup buttered crumbs and a sprinkling of cheese. Brown in the oven. Serve as a main dish with mixed vegetable salad.

Eggless Muffins

Sift together 2 cups flour, 1/2 cup sugar, 4 ts. baking powder, 1/2 ts. salt. Work in 2 tbs. butter and add gradually 1 scant cup of milk. Stir in a cup of blueberries or chopped raisins and bake in buttered muffin pans.

Creamed Spinach

Cook 2 lbs. spinach in a covered pan; drain and chop fine. Return to fire, add 1 tbs. melted butter, salt and pepper and when butter melts add 2 tbs. cream and 2 hard-boiled egg-yolks chopped fine.

Pineapple and Grape Salad

Dice a pineapple and mix with an equal amount of white grapes from which skins and seeds have been removed. Add one cup of finely chopped nuts. Serve with cream mayonnaise.

When Peeling Apples

Always use a silver knife instead of a steel one when peeling apples and you will avoid discoloration on the fingers.

SEES FIRST MOVIE

Superior, Wis.—Peter Dale, 84, or Cornucopia, has just recently witnessed his first picture show, a talkie, and stayed to see it several times. Mr. Dale, who fifty years ago was a member of the Wisconsin Legislature, was most amazed at the picture.

Results

—Positive Results — Accomplishments — that's what counts in life. Not what we claim we can do, but what we have actually done.

CHIROPRACTIC

50 YEARS OF ELECTRICAL ACHIEVEMENT!

The Part Texas Utilities Has Played In The Development of West Texas and The Part It Hopes to Play

St. Louis, Missouri, October 14, 1929.

To all Managers of Texas Utilities Company.

Gentlemen:

Ref: Request for suggestions concerning Edison Jubilee.

Scenes that tell the past and fortell the future will greet President Hoover when he visits Henry Ford's historical village October 21 to participate in the ceremony memorializing the achievements of Thomas A Edison, according to news stories sent out by the Associated Press telling about the "community of yesterday" which has been created by the purchase of many historical buildings in various parts of the country and restored to their original condition and placed on foundations by Henry Ford in his historical village at Dearborn, Michigan.

As the Edison Day Jubilee is to honor mainly Thomas A. Edison, the chief interest will, of course, be centered around Edison and his achievements which have moved civilization forward by leaps and bounds.

The utility industry has a well prepared nation-wide program for the purpose of calling attention to the experiments, work and wonderful accomplishments of Edison.

There will be interest, too, in Henry Ford and his achievements as a manufacturer, financier, business executive, and beyond question the "world's greatest industrialist."

COMPANY TO HONOR EDISON

Texas Utilities Company appreciates the opportunity to honor Thomas A. Edison and at the same time recognize the outstanding achievements of his intimate friend and admirer, Henry Ford, who said in referring to the achievements of Edison, that mass production would be impossible without electric power.

It occurs to the writer that because Ford is rated as the largest user of electricity among the manufacturers of the world, the public will be keenly interested in his viewpoint as to the best means of promoting the development of the electrical industry of the country and for that reason call attention to some of the recent statements of Ford in an interview published in Forbes Magazine on September 1, 1929, which are in part as follows:

STATEMENT OF HENRY FORD

"I am not afraid of what the newspapers call the Power Trust. I would welcome a real Power Trust. And, as sure as shooting, the country by and by will have a real Power Trust.

"By that, I mean that all the power resources of the country should be linked together under one control and every part of the country supplied from the logical distributing point. Power is all-important. You cannot do a thing without power.

"The very best power now is power distributed by big concerns. But we should and must and will go much further. There are now hundreds, not to say thousands, of different power plants scattered all over the country.

"The whole power of the nation should be generated under one directing organization. It should be thoroughly standardized. All the plants should be connected together.

NOT AFRAID OF POWER TRUST

"No, I am not a bit afraid that a Power Trust would gobble up everything and everybody. There never will be anything without potential competition. Besides, the people will always assert themselves whenever things get out of balance, and will effectively demand and get fair treatment.

"A lot is being said about the profits made by those taking part in the power mergers now going on. People shouldn't worry too much about that. Money keeps on flowing. The question is not 'Who gets the money?' but 'What tangible asset is left to the people?' The people always get the real gain, even though some man or groups may get the passing profit. The main thing is to get the power resources of the country put on a more scientific basis. After all, it is the actual results achieved which count most. These people won't be able to take

their money with them, and they will leave behind them a country more efficiently equipped with power.

POWER COMPANIES HELP PEOPLE

"What they are doing is helping to have the country become more conscious of the importance of what electricity can do for them. Only a beginning has been made in making electricity do the work of the world. The ground has only been scratched.

"Power can revolutionize the lives of the people of this country. It can lift the burdens from the backs of the workers. It can abolish most of the tasks of the housewife. It has hardly made a beginning on the farm—where its possibilities are perhaps the greatest of all."

PROUD OF ACHIEVEMENTS

While Texas Utilities Company does not claim that the unlimited supply of dependent electric service which it has furnished is the sole or even the chief reason for the unparalleled development in West Texas, nevertheless it has every reason to be proud of the part it has played in the development of the territory which it serves.

Everybody knows that every city and town in the Plains country located on the copper highways of Texas Utilities Company, New Mexico Utilities Company, and Southwestern Public Service Company, is receiving 24-hour service which is as dependable and satisfactory in every respect as any metropolitan electric service.

There will be interest, too, in the achievements of Texas Utilities Company and in the rapid growth of the territory which it serves. As a part of the plan of Texas Utilities Company to participate in the Edison Jubilee, the company is pleased to announce a reduction in residence and business lighting rates for all cities and towns in the South Plains served by Texas Utilities Company.

REDUCTION IN LIGHT RATES

The reduction in residence lighting means that all residence consumers will get a reduction of 14% on a consumption of 25 K. W. H. or less per month; a reduction of 10% on 50 K. W. H. per month, and a reduction of 50% on all current used per month in excess of 50 K. W. H. Heating, cooking and refrigeration in residence will be on a rate of 4c per K. W. H. on the new schedule. Reductions in the commercial or business schedules for lighting service range from 11% to 15%. THIS IS THE EIGHTH SUBSTANTIAL REDUCTION IN ELECTRIC RATES THAT TEXAS UTILITIES COMPANY HAS MADE WITHIN THE PAST FOUR YEARS.

PHENOMENAL DEVELOPMENT IN WEST TEXAS

In reviewing the history of the phenomenal development of the electrical industry in West Texas, the following facts should be noted:

That as late as October, 1924, one of the great banking institutions of the country expressed the opinion that any attempt to finance the requirements of Texas Utilities Company by issuance and sale of first mortgage bonds would not prove successful, giving as a reason for such opinion that the territory served by Texas Utilities Company was too scattered and also too remote from said bank's retail bond market.

BANKERS VIEW WEST TEXAS

That in October, 1925, a party of leading investment bankers from Boston, New York, Chicago, Detroit, St. Louis, and other Eastern cities, visited West Texas and Eastern New Mexico. The citizens of West Texas arranged and conducted the Eastern bankers on a tour of the Plains country which was in every sense a decided success. It proved to be mutually helpful to the visitors and local people. The bankers, at various receptions and banquets given in their honor by the citizens of West Texas and Eastern New Mexico, promised without qualification to finance all of the requirements necessary for Texas Utilities Company and New Mexico Utilities Company to take care of their share of the development of the Plains country. The Eastern bankers have made good every promise made to the citizens of the Plains country.

That today, Texas Utilities Company, New Mexico

Utilities Company, and Southwestern Public Service Company are owned and operated as a combined or interconnected property by the same group of individuals as a direct result of the visit of the Eastern bankers and the corporation of the citizens of the Plains country.

SERVING SIXTY-THREE TOWNS

That since the visit of the Eastern bankers to the Plains country in October, 1925, the management of Texas Utilities Company has, by merger, acquisition of property as an entirety and or the construction of transmission lines, built up an electric utility supplying electric service to sixty-three towns in West Texas and Eastern New Mexico covering a territory equal in area to the State of Pennsylvania, with approximately one thousand miles of transmission lines in operation and or under construction at this time.

That Texas Utilities Company management takes pride in the fact that cooperation on the part of the citizens of the Plains country has made it possible for the company to carry out its building program in advance of the rapid growth of the territory which it serves, and at the same time make so many substantial reductions in rates.

That the advantage of the policy of Texas Utilities Company for the development of the Plains country by building transmission lines and operating interconnected power plants, is clearly reflected in both the quality of service and reasonableness of rates in all of the towns located on the lines of the interconnected plants.

PART OF COMMUNITY LIFE

While Texas Utilities Company has regarded itself as an integral part of every community served by it and is proud of the productive power and the material greatness of the territory developed, nevertheless the company has at all times bottomed every investment made upon its abiding faith in the spirit of fair play and cooperation manifested by the citizens of the Plains country. Every town on the lines of Texas Utilities Company and New Mexico Utilities Company in the Plains country has recently granted a standard 50-year statutory electric franchise, and with one exception, every town in the Plains country is being supplied with electric energy to do its city pumping and street lighting service under a 20-year statutory street lighting and city pumping contract.

It was the spirit of fair play manifested by the people of the Plains country, and not the potential possibilities of the territory served, that caused the Eastern bankers to publicly commit themselves on the occasion of their visit in 1925, to furnish all the money necessary to enable Texas Utilities Company and New Mexico Utilities Company to do their full share in the development of the territory.

APPRECIATES CO-OPERATION

Texas Utilities Company management has always recognized and appreciated the fact that the spirit of co-operation on the part of the citizens of the Plains country was due in a large measure to the constructive leadership of the press of this section. This appreciation has been acknowledged from time to time by literature circulated throughout the country by Texas Utilities Company.

The future growth and development of the Plains country depends very largely upon the vision of the press published in the territory, and the continuation of the practical spirit of cooperation on the part of the people of the Plains country which has been the chief factor in the rapid growth and development of the entire territory served by Texas Utilities Company during recent years.

Texas Utilities Company takes great pride in recording the fact that a market was found for the sale of all bonds and securities necessary to meet its requirements as a result of the visit of the bankers to the Plains country.

Yours truly,

I. R. KELSO,

President, Texas Utilities Company.

TEXAS UTILITIES CO.

50 YEARS OF ELECTRICAL ACHIEVEMENT!

The Part Texas Utilities Has Played In The Development of West Texas and The Part It Hopes to Play

St. Louis, Missouri, October 14, 1929.

To all Managers of Texas Utilities Company.

Gentlemen:

Ref: Request for suggestions concerning Edison Jubilee.

Scenes that tell the past and fortell the future will greet President Hoover when he visits Henry Ford's historical village October 21 to participate in the ceremony memorializing the achievements of Thomas A. Edison, according to news stories sent out by the Associated Press telling about the "community of yesterday" which has been created by the purchase of many historical buildings in various parts of the country and restored to their original condition and placed on foundations by Henry Ford in his historical village at Dearborn, Michigan.

As the Edison Day Jubilee is to honor mainly Thomas A. Edison, the chief interest will, of course, be centered around Edison and his achievements which have moved civilization forward by leaps and bounds.

The utility industry has a well prepared nation-wide program for the purpose of calling attention to the experiments, work and wonderful accomplishments of Edison.

There will be interest, too, in Henry Ford and his achievements as a manufacturer, financier, business executive, and beyond question the "world's greatest industrialist."

COMPANY TO HONOR EDISON

Texas Utilities Company appreciates the opportunity to honor Thomas A. Edison and at the same time recognize the outstanding achievements of his intimate friend and admirer, Henry Ford, who said in referring to the achievements of Edison, that mass production would be impossible without electric power.

It occurs to the writer that because Ford is rated as the largest user of electricity among the manufacturers of the world, the public will be keenly interested in his viewpoint as to the best means of promoting the development of the electrical industry of the country and for that reason call attention to some of the recent statements of Ford in an interview published in Forbes Magazine on September 1, 1929, which are in part as follows:

STATEMENT OF HENRY FORD

"I am not afraid of what the newspapers call the Power Trust. I would welcome a real Power Trust. And, as sure as shooting, the country by and by will have a real Power Trust.

"By that, I mean that all the power resources of the country should be linked together under one control and every part of the country supplied from the logical distributing point. Power is all-important. You cannot do a thing without power.

"The very best power now is power distributed by big concerns. But we should and must and will go much further. There are now hundreds, not to say thousands, of different power plants scattered all over the country.

"The whole power of the nation should be generated under one directing organization. It should be thoroughly standardized. All the plants should be connected together.

NOT AFRAID OF POWER TRUST

"No, I am not a bit afraid that a Power Trust would gobble up everything and everybody. There never will be anything without potential competition. Besides, the people will always assert themselves whenever things get out of balance, and will effectively demand and get fair treatment.

"A lot is being said about the profits made by those taking part in the power mergers now going on. People shouldn't worry too much about that. Money keeps on flowing. The question is not 'Who gets the money?' but 'What tangible asset is left to the people?' The people always get the real gain, even though some man or groups may get the passing profit. The main thing is to get the power resources of the country put on a more scientific basis. After all, it is the actual results achieved which count most. These people won't be able to take

their money with them, and they will leave behind them a country more efficiently equipped with power.

POWER COMPANIES HELP PEOPLE

"What they are doing is helping to have the country become more conscious of the importance of what electricity can do for them. Only a beginning has been made in making electricity do the work of the world. The ground has only been scratched.

"Power can revolutionize the lives of the people of this country. It can lift the burdens from the backs of the workers. It can abolish most of the tasks of the housewife. It has hardly made a beginning on the farm—where its possibilities are perhaps the greatest of all."

Yearlings Defeat Amarillo Team 39 To 0 Wednesday

39 to 0 was the score brought home from Amarillo Wednesday evening by the Yearlings, the third team of the college football squad, after a combat with Price Memorial College of Amarillo.

Pat Murphy acted as captain during the game. Johnny Johnson scored the greatest number of points for the home team with three touchdowns to his credit. Singletons were made by Otis Burks, Pat Murphy, and Carter. Burks also scored one point after the goal and Walter Dubbs made three points in this manner.

The yearlings completed all passes attempted but two. They made long gains on end runs. The Amarillo team made three first downs and two long gains.

Jerry Malin, former student of W. T. who is now employed with the Amarillo Globe News, refereed the game. Jim Crowder, sports editor of The Prairie, was head lines-man.

The initial lineup was:

Nafzgar—Center.
 Daugherty—Guard.
 Plathers—Guard.
 Biggers—Tackle.
 Penick—Tackle.
 Harris—Right End.
 Burks—Left End.
 Murphy—Quarter.
 Johnson—Right Half.
 Hunt—Left Half.
 Dubbs—Fullback.

Nellie Jo Baucom New Student Asst. In Biology Dept.

Nellie Jo Baucom of Canyon has recently been elected to succeed Lonnie Witherspoon as student assistant to Mr. L. S. Baker in the department of biology. Miss Baucom is a senior in W. T. and expects to receive her degree at the close of the fall quarter. She has done all of her college work in this institution.

Miss Witherspoon was forced to withdraw from school as a result of ill health.

MRS. WITT IS SURPRISED WITH BIRTHDAY DINNER

Who minds having birthdays when they are accompanied by such pleasant surprises as Mrs. Witt had Thursday evening at the dinner hour? A table decorated all for her greeted her eyes when she walked into the Cousins Hall dining room the evening of her birth-day.

Clusters of small dahlias were placed on a vine which encircled the table. The vine was one which Mrs. Witt had brought from Kansas City and planted herself. Soft candle rays came from two yellow candles in crystal candle sticks. In the center was a large birthday cake.

Birthday carols were sung thru-out the dinner by the girls of the dormitory.

Help Keep Canyon Clean!

Here's How

There used to be a man who told me I should marry again, and had a woman picked out for me. Somehow I could never squelch him, I had known him so long, although I had never intimated to him that I needed such advice. His assumption that I needed his assistance was extremely distaste-ful to me; no doubt he spoke to women unknown to me, and made me ridiculous, but I could not help myself. Fortunately I am rid of this man, as he died some time ago, but others remain to keep me sufficiently humiliated. One of the heaviest burdens of my life has always been numerous persons among my acquaintances who make a fool of me, and I have never been able to get rid of them. According to my standards they are grossly impolite, but they seem to have friends, and prosper. I get along well with active enemies; they at least only scowl at me, and finally they quit talking about me behind my back—but I cannot handle some friends so success-fully.

I am firmly convinced that the most sensible effort in which a man may engage is to do the best he can with such powers as Al-mighty God or heredity has given him. There are so many weak and unfortunate that I cannot help them all, but may I help myself? I must eat to live, and food is contrary and malicious. At 9 a. m., when suffering distress from unwise or overeating, I resolve to do better thereafter, but four hours later, with agreeable friends at table, I forget the solemn warning and resolution of the morning. With my striving I make a little progress. Am I a fool for not making more, or have I inherent weaknesses of body and mind that tie me hopelessly to sin? Some say they can pray for strength, and receive it. Others say they are able to exercise their will, and overcome evil; but I have observed that both these boosters are usually as weak as I am; so generally so that their methods do not im-press me. Is sin the seed planted in man to inevitably de-stroy him at eighty, or earlier? . . . Anyway, I am able to regulate it a little to my advantage, and shall persevere; I am still convinced that there is most comfort in life for those who resist sin as much as possible, instead of welcoming it.

I often think of a saying by Napoleon: "I will be compelled to go to school again," he said, when contemplating his second marriage, "to learn the ways of new woman." . . . Napoleon was a king; the girl he was to marry a princess of a subject nation. She had been brought up in the simple German way; she had been assigned him for breeding purposes (and I do not say this in an offensive way, but as a mere statement of fact) . . . Why did he not say to this girl, as he said to his subjects: "Learn my ways." . . . Well, the most powerful man cannot do that with a woman. Let a king ar-range for intimate association with a peasant woman, and he has an-other war on his hands. He is no longer king of his country or of himself. He has divided his regal power; he may be a Senate of the firm, but must wrangle with the House before his acts are constitu-tional.

LITTLE JOB FIRST

Xantippe, wife of Socrates, had a realistic mind and believed that a man should provide for his fam-ily before rearranging the universe.

Both formerly lived here and keep up with affairs in the city by reading the News weekly.

FARM AND RANCH LOANS: 5½% Farm Loans, payable in five years—Option to extend under amortized plan for 36 years without renewal or commission expense. G. G. Foster, Sec'y-Treas. Federal Farm Loan, Canyon.

GOVERNMENT IN BUSINESS "A couch in the office of a United States district attorney in a middle west city was damaged. He notified the custodian of the building, who was collector of internal revenue. He notified the treasury. The treasury notified the supervising architect in Washington, who ordered the custodian to advertise for bids. The advertising cost \$39.50. The bids were forwarded to Washington, and an award made, the contract signed and the work was done. The cost of repairing the couch was \$3.94. An inspector was sent to inspect the job. He didn't like it and had a row with the contractor. The chief inspector had to come out.

EXCESS BAGGAGE "What happened to you, my poor fellow?" "My girl threw me down a flower." "But surely that couldn't have made such a wreck of you." "Yes, it could. She forgot to detach the window box."—Dublin Opinion.

9 HOUR TUSSELE WITH FISH Avalon, Santa Catalina Island—George G. Thomas, Jr., of Beverly Hills, caught a 155-pound marlin swordfish on a six-strand light line with a breaking strength of sixteen pound. He fought the game fish nine hours and five minutes before bringing it alongside.

Many Teachers In Pampa Schools Are From W. T. College

Of 91 teachers employed in the Pampa city schools, a large number are exes of W. T.

Among those seen on one short visit there this week by a member of the college faculty were, Opal and Vida Cox, Louise Cearley, Nelius Tedford, Addie Lee Smith, Gwendolyn Spradley, Lem Sone, Sara Campbell, Arless O'Keefe, Leah Amend, Ellen Smith, Mrs. Sam Irwin, Mrs. Erle Fletcher, Ellis, Irene Hessey, James Adron Meek, Jewel Montague, Gertie Morris, Naoma Owen, Ila Pool, Mrs. Evelyn Stout, Mrs. E. F. Strickland, Mrs. Katherine Wilkerson, and Mrs. John Bradley.

The Pampa schools are crowded, but Supt. R. B. Fisher says that he is proud of his teachers and that the school is running smoothly.

KNOW TEXAS Texas is first in railroad mileage with 16,429.43 miles. More new construction is under way now than in any other state and will increase that total by several hundred miles within the next year. Illinois with 12,004.17 and Pennsylvania with 11,261.05 are second and third.

Texas has 973.69 miles of electric railway. New York with 4,792.35 is first in electric railway mileage.

Texas has 4,500 miles of electric transmission lines with many new miles under construction.

Texas has an annual mineral production in excess of \$500,000,000. Its mineral, farm, ranch and lumber production is around \$2,000,000,000 a year.

Large and small, Texas' manufacturing plants exceed 44,000 in number with an output valued at \$1,200,000,000 a year.

Thompson Hardware Co.

President Cousins Writes to Hill of Present Condition

President Cousins writes the following to President J. A. Hill in regard to his recovery from his recent illness:

"I am writing to say that I am home again in the office, practically well, without any permanent injury from my recent experience. I want to thank you, the students, and the faculty again for your very splendid tributes to me when I was in distress.

Calendar Discussion Shows Superstition

Discussion of the proposed new calendar demonstrates that superstition which the country flatters itself it has outgrown, still exists, declares Woman's Home Companion editorially.

The principal objection to its establishment, the periodical continues, is the recurrence of the number thirteen in the plan.

"All sorts of practical objections of course can be raised against altering a calendar that has been doing service for two thousand years," says the article, "and the religious objections deserve our respectful attention. But this nonsense about the evil influence of having thirteen Fridays the thirteenth is distressing to everybody who thought we were outgrowing superstition.

"Mr. Folsom, of the Eastman Kodak Company, which is already on a thirteenth month basis, points out for the benefit of the superstitious that America was discovered on a Friday; the Pilgrims landed on a Friday; there were thirteen American colonies; there are thirteen stripes in the American flag and thirteen feathers in the tail of the American Eagle."

NO REFLECTION ON RASTUS Boss: "Ye're late this morning, Rastus."

Rastus: "Well, sah, when Ah looked in de glass dis mornin' Ah couldn't see meself there, so Ah thought Ah'd gone to work. It was only some time afterwards dat Ah discovered dat de glass had dropped out ob de frame."—Everybody's Weekly (London).

Parents who take up the children's quarrels have little else to occupy their time.

SORE BLEEDING GUMS Only one bottle Leto's Pylorhea Remedy is needed to convince anyone. No matter how bad your case, get a bottle, use as directed, and if you are not satisfied druggists will return your money. Jarrett Drug Company.

FARM AND RANCH LOANS: 5 1/2% Farm Loans, payable in five years—Option to extend under amortized plan for 36 years without renewal or commission expense. G. G. Foster, Sec'y-Treas. Federal Farm Loan, Canyon.

Many Teachers In Pampa Schools Are From W. T. College

Of 91 teachers employed in the Pampa city schools, a large number are exes of W. T.

Among those seen on one short visit there this week by a member of the college faculty were, Opal and Vida Cox, Louise Clearley, Nelius Tedford, Addie Lee Smith, Gwendolyn Spradley, Lem Sone, Sara Campbell, Arless O'Keefe, Leah Amend, Ellen Smith, Mrs. Sam Irwin, Mrs. Erle Fletcher, Irene Hessey, James Adron Meek, Jewel Montague, Gertie Morris, Naoma Owen, Ila Pool, Mrs. Evelyn Stout, Mrs. E. F. Strickland, Mrs. Katherine Wilkerson, and Mrs. John Bradley.

The Pampa schools are crowded, but Supt. R. B. Fisher says that he is proud of his teachers and that the school is running smoothly.

GOVERNMENT IN BUSINESS

"A couch in the office of a United States district attorney in a middle west city was damaged. He notified the custodian of the building, who was collector of internal revenue. He notified the treasury. The treasury notified the supervising architect in Washington, who ordered the custodian to advertise for bids. The advertising cost \$39.50. The bids were forwarded to Washington, and an award made, the contract signed and the work was done. The cost of repairing the couch was \$3.94. An inspector was sent to inspect the job. He didn't like it and had a row with the contractor. The chief inspector had to come out.

He approved the job. Nine months later the contractor received Uncle Sam's check for \$3.94."—Boston Globe.

KNOW TEXAS

Texas is first in railroad mileage with 16,429.43 miles. More new construction is under way now than in any other state and will increase that total by several hundred miles within the next year. Illinois with 12,004.17 and Pennsylvania with 11,261.05 are second and third.

Texas has 973.69 miles of electric railway. New York with 4,792.35 is first in electric railway mileage. Texas has 4,500 miles of electric transmission lines with many new miles under construction.

Texas has an annual mineral production in excess of \$500,000,000. Its mineral, farm, ranch and lumber production is around \$2,000,000,000 a year.

Large and small, Texas' manufacturing plants exceed 44,000 in number with an output valued at \$1,200,000,000 a year.

EXCESS BAGGAGE

"What happened to you, my poor fellow?"

"My girl threw me down a flower."

"But surely that couldn't have made such a wreck of you."

"Yes, it could. She forgot to detach the window box."—Dublin Opinion.

9 HOUR TUSSELE WITH FISH

Avalon, Santa Catalina Island—George G. Thomas, Jr., of Beverly Hills, caught a 155-pound marlin swordfish on a six-strand light line with a breaking strength of sixteen pound. He fought the game fish nine hours and five minutes before bringing it alongside.

TRY THESE ON YOU SAX. I saw six long slim slick saplings for sale.

Strict, strong Stephen Stringer snared slickly six silky snakes. Sadie Setherway saw Sandy Snookums soaped and shaving. Sheila saw a shot silk sash shop full of shot silk sashes when the sun shone on the shop!—Scheneectady Union.

STAR BOARDER

Wanted: By Christian gentleman, board in young or middle-aged Christian widow's home where there's no other boarders preferred. —Ad in the Washington Star.

Neighbors who can still be neighbors after the children have a dozen or so fights a day are real people.

1st prize \$3.00; 2nd prize \$2.00; third prize \$1.00. These articles must be in by 12 o'clock Monday.

Thompson Hardware Co.

President Cousins Writes to Hill of Present Condition

President Cousins writes the following to President J. A. Hill in regard to his recovery from his recent illness:

"I am writing to say that I am home again in the office, practically well, without any permanent injury from my recent experience. I want to thank you, the students, and the faculty again for your very splendid tributes to me when I was in distress.

Calendar Discussion Shows Superstition

Discussion of the proposed new calendar demonstrates that superstition which the country flatters itself it has outgrown, still exists, declares Woman's Home Companion editorially.

The principal objection to its establishment, the periodical continues, is the recurrence of the number thirteen in the plan.

"All sorts of practical objections of course can be raised against altering a calendar that has been doing service for two thousand years," says the article, "and the religious objections deserve our respectful attention. But this nonsense about the evil influence of having thirteen Fridays the thirteenth is distressing to everybody who thought we were outgrowing superstition.

"Mr. Polson, of the Eastman Kodak Company, which is already on a thirteenth month basis, points out for the benefit of the superstitious that America was discovered on a Friday; the Pilgrims landed on a Friday; there were thirteen American colonies; there are thirteen stripes in the American flag and thirteen feathers in the tail of the American Eagle."

NO REFLECTION ON RASTUS

Boss: "Ye're late this morning, Rastus."

Rastus: "Well, sah, when Ah looked in de glass dis mornin' Ah couldn't see meself there, so Ah thought Ah'd gone to work. It was only some time afterwards dat Ah discovered dat de glass had dropped out ob de frame."—Everybody's Weekly (London).

Parents who take up the children's quarrels have little else to occupy their time.

SORE BLEEDING GUMS

Only one bottle Leto's Prothema Remedy is needed to convince anyone. No matter how bad your case, get a bottle, use as directed, and if you are not satisfied druggists will return your money. Jarrett Drug Company.

Mr. and Mrs. Henry Price spent the week end visiting in the home of his mother, Mrs. Kate Gentry.

Dr. J. B. Ozler of Amarillo spent Sunday visiting in the home of Mr. and Mrs. J. W. Bond.

Bernard Lumar has gone to Wyoming because of the death of a relative.

ORDINANCE NO. 66
 An Ordinance Regulating Peddling Within the City Limits of Canyon, Texas, Providing for the Issuing of Licenses for the Same, and Penalty for not Securing Said License.

THAT it shall hereafter be unlawful for any person, firm or corporation to offer for sale by peddling same from house to house within the corporate limits of the city of Canyon, Texas, any merchandise of any kind, before first securing from the City Secretary a license or permit for same.

THAT the City Secretary is hereby authorized to issue said license or permit upon the payment by the applicant of the sum of Five Dollars, said license to be issued for one year only, provided that this ordinance is not intended to prohibit the peddling of any farm products raised within the County of Randall, Texas, and offered for sale by the grower thereof.

Any person, firm or corporation violating this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be fined in any sum not less than Ten Dollars and not more than Fifty Dollars.

All ordinances or parts of ordinances in conflict herewith are hereby repealed.

Passed in open City Commission at its regular session, this 7th day of October, A. D. 1929, and shall take effect from and after its passage and publication according to law.

(Seal)
 R. A. BELLAH,
 Mayor, City of Canyon, Texas.
 Attest:
 HARVEY CASH,
 3013 City Secretary.

CANYON, TEXAS, OCTOBER 24, 1929.

Eagles Defeat Wildcats 20-6 in Fast Game Friday

The Canyon Eagles won again from the Clovis Wildcats Friday, scoring 20 to their 6. It was a hard game, and the Eagles met much stiff opposition from the Clovis team.

"Pud," Earl Cross, starred this game by his brilliant plays; he was closely followed by "Cow" Williams who gained much ground by his passes and runs. James Cabe did some mighty good playing and tackling as did the ends, Joe Jennings and "Pete" Hazlewood who held their ground well. The Wildcats found the ball several times within a few inches of their goal line which caused them to punt each time only to have the ball returned by Canyon. John Pool, who played center, caused the Eagles to avoid fumbles and setbacks by his skill in handling the ball. Pud's weight and driving ability scored two touchdowns for the Eagles while Cow passed to Ralph for the third touchdown. Cow's plunging and kicking caused two goals to be added to the former score.

The Clovis team, though large and well trained, could not break away from the Eagles. Much skillful playing was shown by both teams Friday.

LIBRARY

Our library is much better this year than it has ever been before. New books of all kinds have been bought. Novels, history books, a new set of World Books, and others have been bought and have been very helpful to the students.

Mrs. L. G. Allen has donated to our library some numbers of the Scribner's and Forum magazines. The students find these magazines very interesting and helpful in their work. They are grateful to Mrs. Allen for her thoughtfulness. The school intends to raise enough money during the course of the year to further enlarge our library, and they hope everyone will co-operate with them toward this end.

NEW GYMNASIUM COURSE IN THE GRADE SCHOOL

A course which has never before been taught in Canyon schools was introduced in the Grade School this year. This course has been essential in most schools for several years. Gymnastics is now a required course for all grade school students. All kinds of exercises are given.

Instead of the usual recess periods, most of that time is given to gymnastics. Each teacher spends some time every day in giving these exercises to the pupils. Through these exercises the students will get more physical exercises than could be gotten during the recess period.

Latin Tournery Essay Subjects Received by Miss Jordan

Essay subjects for the Latin tournament to be held in April at Lubbock have been announced.

First year subjects are:
1. Why I Like Latin.
2. The Funeral of Flavius.
3. The Marriage of Lucius.
4. A Day in Cornelia's Home.
5. Roman Stories That I Enjoy.

Second year subjects are:
1. Did Caesar show weakness in his treatment of Dumnorix.
2. The Versatility of Caesar.
3. Evidences of Military Strategy in Caesar's campaign against the Gauls.
4. Characteristics of the Early Gauls or Germans, as described by Caesar.
5. The Return of the Victor.

Both first and second year classes are planning to send some winning contestants to the tournament.

One essay from each class will be submitted. The two persons making the highest grade in a local contest held for both classes will represent the school.

Last year Canyon had the honor of having the tournament. C. H. S. appreciated the courtesy and co-operation of the contesting towns. We hope that we will be able to return this when we go to Lubbock.

Students Graded on New Course of Citizenship

When the report cards were given out Wednesday of last week, each student was very enthusiastic over the new course of Citizenship. The grades of this course showed a high rated score for school citizenship of the Canyon High School students.

The following things are considered in estimating the quality of the school citizenship of a pupil:

1. Respect for school regulations: a. Observes school regulations with willing co-operative spirit. b. Never shows lack of respect for school regulations. c. Tries to cultivate right attitude on part of other pupils.
2. Co-operation with others: a. Always attempts to make the school activities a success. b. Will lead or follow. c. Very helpful in class activities.
3. Pride in the school or class: a. Takes real satisfaction in any success of the school or class. b. Resents unfair criticism of the school.

4. Courtesy and sportsmanship: a. Knows and applies in all situations the rules of considerate treatment of pupils, teachers, caretakers, or visitors. b. Kindly, cheerful and helpful in class.
5. Reliability and sense of responsibility: a. Can be depended upon to meet responsibility. b. Does not have to be watched. c. Always dependable, exhibiting stability of character.

6. General estimate of school citizenship: a. Average of the foregoing estimates.

New Pep Emblems for Uniforms Drawn by Ruth Greenfield

New pep emblems have been designed for the new sweaters. Ruth Greenfield was the artist. The design consists of a large white-rimmed oval with "Purple Peps" done in white letters against a purple background.

The new sweaters are plain purple slip overs. The only letters or designs on them are the insignias, which are on the front. White collars, cuffs, and skirts were planned to be worn with them.

This year we have one of the best pep squads Canyon has ever put out. Elizabeth, Pauline, and Betty, as pep leaders, we surely can put things over.

Two entire sets of new yells have been obtained. Some especially short, effective yells have been adopted.

Every girl should belong to the pep squad. The uniforms are not expensive and it makes anyone feel like they are part of the functioning school body. But, if you are not interested in really boosting the Eagles or coming to pep meetings or being loyal to C. H. S., the pep squad is surely no place for you, for that is what all Purple Peps are required to do.

SEVENTY VOCATIONAL COURSES OFFERED

Scouting helps the growing boy to discover his own true interests.

The world of nature is first opened to him. He learns the rudiments of botany, biology, forestry and astronomy. He learns about mapping, surveying, signaling, cooking in the open, fire-making without the aid of matches, compass reading, first aid, tower and bridge building.

When he has mastered the first principles of nature lore and Scoutcraft and has attained the rank of a first class Scout, he may take advantage of the seventy vocational training courses offered by the Boy Scout organization. These are known as merit badge subjects, and they cover a sufficiently wide selection to enable the boy to find himself.

In vocational training, emphasis is laid on the principal side of the subjects. In masonry, plumbing, carpentry, chemistry or electricity, the boy becomes familiar with the materials with which the men work.

To win his merit badge, he must demonstrate his ability to perform some of the common tasks of the trade.

Boy Scout troops are sometimes organized in the schools, sometimes in the churches of a community. Definite information in regard to troop formation can be obtained from the Boy Scouts of America, 2 Park Avenue, New York City.

Friday the Eagles will play the Claude high school at Claude. The Eagles have been victorious the last two games, and they hope to add Claude to their list of defeated. The Eagles are expecting to have a good game, and everyone possible should go with them to Claude.

Girls Start Practice in Basketball on Monday Afternoon

All of the girls interested in girls athletics met Monday afternoon in the gym for their first real try-out. Exercises of all kinds were taken, which, as Mr. McDonald stated, were to make the girls sore.

Miss Rusk and Mr. McDonald will be the coaches this year to the great joy of all the basketball girls. There are a few old letter girls on the team; Pauline Wilson, the captain, who really showed her "stuff" last year, Ruth Greenfield, the red-headed guard who held them down, Nellave Roberts, the jump, and Julia Bell Perry, the forward from Perryton are all showing good prospects for the year.

Training of all kinds will be the main feature of practice for a month at least; and therefore practice will take place only about three times a week: Mondays, Wednesdays, and Fridays. This naturally doesn't appeal to the girls, especially to those who played last year and know how much fun basketball it. All of the good players of last year, Gladys Young, Bill Brooks, and Alline McGee will be missed, but since there are three of last year's letter girls still on the team and there are over forty girls out, there will surely be some good material.

Polly Wilson, who is the captain of the team is an outstanding character, she has played basketball since her grammar school days, and she will be a good captain for everyone wishes her success.

Mr. McDonald and Miss Rusk, who are the new coaches for the year have both had some experience at coaching. Miss Rusk showed her interest in basketball last year and it is certain that she will be a grand coach.

It is expected that the school and townspeople will support girls athletics more this year because the team is going to be better than usual and the girls need a great deal of encouragement. So come on folks, let's help them out!

W. A. A. Entertains in Chapel With a Novel Program

The W. A. A. or the Woman's Athletic Association of the College gave a very interesting program in chapel last Thursday morning. This treat was a surprise to a large majority of the student body and was enjoyed by both students and many visitors.

The performances of graceful dancing and tumbling or acrobatic stunts showed good training on the part of the students and their teacher, Miss Cross. The gracefulness and the costumes of the girls added much to the dances and stunts.

The Scarf Dance and the Clown Dance were two of the feature numbers enjoyed most. To the music of "Napoleon's Last Charge" many girls, both young and old, performed difficult acrobatic stunts. The attempts of the small children to accomplish different stunts which the older students did were very entertaining and drew loud applause from the audience.

The student group and faculty of the high school appreciate the program given by the W. A. A. and hope they will soon come again.

The school was also glad to have so many of its patrons enjoy the program and they are invited to come often to visit the school.

MUSIC ENSEMBLE WORK

Mrs. Fry has begun a new phase of music work which shows signs of interesting results. This is the ensemble or two piano work. Dorothy Faye Rusk, Margaret Gamble, Dorothy Cash and Gwendolyn Black are the four students who are working on this. They meet on Wednesday for an hour's practice. They hope to be able to perform on the next recital.

FRESHMAN HAVE FIRST PARTY

Friday night the Freshman class gave its first party of the school year at the home of Elvert Laughery. A very enjoyable evening was spent in playing games and story telling. They were all very proud of the fact that Miss Hammond, and their sponsor, Miss Dickinson, were able to be with them. Shortly after the serving of punch and cookies to about thirty members of the class, the crowd broke with everyone declaring a wonderful time.

the social Undoing of Elizabeth Ann

As a hostess, Elizabeth Ann decided that she was a grand success. She glanced happily about the tables of modish guests in the living room.

This was a party, she thought. One they'd talk about for many a day. Everything was going beautifully.

She giggled as one of the group at the nearest table trumped her partner's ace. The hum of conversation rose and fell.

And then... the telephone rang! "Yes, he's here," she answered, "but he can't come to the phone. He's in the garage working on the car... Oh!... Long Distance... very well... I'll call him."

Her heart sank. The sparkle left her eyes. Too well she knew what to expect when her husband "worked on the car."

"And things had been going so well," she thought bitterly, as Ed, red-faced and perspiring, oil and grease from head to foot, paused in embarrassment at the door.

Ed was waiting in the hall when she closed the door miserably behind the last guest. He slipped a consoling arm about her.

"I'm sorry, honey!" he soothed. "It won't happen again. Tomorrow I'll order an extension telephone for that kitchen."

Telephones where you need them save time, patience, housewifely strength—even prevent minor social disasters.

Few know that one or two additional instruments cost considerably less than the single telephone they now have!

By a wisely-placed "extension" or two, and perhaps a rearrangement of the equipment you already have, an expert telephone man can often double the convenience of your telephone service.

"And things had been going so well..."

Manager, Southwestern Bell Telephone Co., City.

I'd like to know how to get more value out of my telephone service. Please send me free, a copy of your booklet, "Modern Telephone Service for the Home."

Her heart sank. The sparkle left her eyes. Too well she knew what to expect when her husband "worked on the car."

"And things had been going so well," she thought bitterly, as Ed, red-faced and perspiring, oil and grease from head to foot, paused in embarrassment at the door.

Ed was waiting in the hall when she closed the door miserably behind the last guest. He slipped a consoling arm about her.

"I'm sorry, honey!" he soothed. "It won't happen again. Tomorrow I'll order an extension telephone for that kitchen."

Telephones where you need them save time, patience, housewifely strength—even prevent minor social disasters.

Few know that one or two additional instruments cost considerably less than the single telephone they now have!

By a wisely-placed "extension" or two, and perhaps a rearrangement of the equipment you already have, an expert telephone man can often double the convenience of your telephone service.

"And things had been going so well..."

Manager, Southwestern Bell Telephone Co., City.

I'd like to know how to get more value out of my telephone service. Please send me free, a copy of your booklet, "Modern Telephone Service for the Home."

SHEFFY TO ACT AS FIELD SEC. OF P. P. H. S. NOW

PLANS TO CARRY OUT WORK
 ALONG SAME LINES FOL-
 LOWED BY EVETTS HALEY.

Mr. L. F. Sheffy, head of the de-
 partment of history, will do the
 work of Field Secretary for the
 Panhandle Plains Historical Socie-
 ty for this year in the absence of
 Mr. J. Evetts Haley who is to work
 in the University of Texas.

Mr. Sheffy states that although
 he will not have as much time to
 devote to the work as Mr. Haley
 has been putting into it, he will do
 the best that is possible to carry
 on the work along the same plan.
 He will make as many field trips
 as possible and will have as his
 main project the work of finding
 a more suitable place for housing
 the museum.

Mr. Haley has done more for the
 museum in the three years he has
 been Field Secretary than can be
 told in a short news article. He
 has made from almost nothing the
 most outstanding museum in the
 state and in many respects the
 most outstanding in the country.
 The P. P. H. S. museum contains
 the best collection of ranch re-
 cords in the world.

The complete records of the J. A.
 Ranch containing thirty volumes,
 the complete records of the Pitch-
 fork ranch which was located 25
 miles east of Dickens, and the re-
 cords of the 2 Buckle ranch in
 Crosby county have been added to
 the collection this summer. These
 records contain information on
 every phase of ranch life such as
 records of riding the range, rain-
 fall and weather conditions.

Colonel Goodnight gave a com-
 plete outfit worn by a Texas Ran-
 ger in the sixties with a complete
 history of every article. Colonel
 Goodnight is in Tucson, Arizona,
 at the present time.

The Rev. Neal Is Conducting Meet- ing at M. E. Church

Evangelist John M. Neal, of
 Huntsville, Texas, is at the Canyon
 Methodist Church for a revival
 meeting which is to continue thru
 Sunday, Oct. 27.

Miss Mattie Mae Swisher has
 charge of the music. She is direct-
 ing a choir of students and town-
 folk.

The sermons, Miss Swisher says,
 are short and to the point, and the
 kind that college students enjoy.
 She says that Mr. Neal is a real
 fellow and a good sport, a teller of
 rare tales of deer and turkey hunt-
 ing.

Special music has been a drawing
 card thus far. Dr. McColley, of
 the college English department,
 sang a solo Tuesday evening. Mrs.
 George, a voice teacher from Cal-
 ifornia, who is in Canyon, will sing
 solos and assist in other special
 selections during the meeting.

The organ is being played by
 Mrs. Grace P. Wood and Miss Cleo
 Holmes.

Mrs. Gourley, teacher of piano
 and violin from Silverton, has been
 doing appreciated work at the piano.

12,168 PIECE QUILT
 Concord, N. Y.—12,168 pieces of
 cloth, each the size of a postage
 stamp went into a patchwork quilt
 which Mrs. Olive Saltmarsh re-
 cently completed after eighteen
 months of effort.

PAINFUL INDIGESTION

"I SUFFERED from in-
 digestion; everything
 I ate gave me heart-
 burn," says Mrs. Mat-
 tie Mullins, of Pound,
 Va. "For months, I
 did not see a well
 day. I worried along, but
 never felt well."

"I got a package of The-
 dord's Black Draught at the
 store and began taking it—
 a dose every night before
 going to bed. I had been
 having an awful pain.
 After I had taken Black-
 Draught, this pain entirely
 stopped. I began to gain in
 weight, and rested well at
 night. In a few months I
 was feeling fine. My health
 was better than it had been
 in years."

"I keep Black-Draught in
 our home, and we all take
 it for constipation and up-
 set stomach."

Insist on Theodor's

**Black-
Draught**
 for
 CONSTIPATION, INDIGESTION,
 BILIOUSNESS

WOMEN who need a tonic should take BLACK-
 DRAUGHT in one or two doses.

Plans for Homecoming Day, Nov. 2 Fill the Air; All College Parade One of Main Features

Bufs Meet Daniel Baker Hill Billies in Afternoon;
 Ex-Students to Give Follies Program in Evening;
 Dances to Be Given by Physical Ed. Department.

Homecoming Day, Nov. 2, is to
 offer many diversions to visiting
 ex-students. Just before the foot-
 ball game between the Buffaloes
 and the Daniel Baker Hill Billies
 there is to be a huge parade in
 which every student in the college
 is to take part, and in the evening
 the ex-students will present a fol-
 lies program.

Miss Ruth Cross of the depart-
 ment of physical education is in
 charge of the parade which will
 consist of floats representing each
 organization in the college; of
 which there are more than thirty.
 One or two floats representing the
 training school will also be includ-
 ed as well as a car in which the
 executives of the college will ride.
 Plans already made indicate that
 the floats entered will be excep-
 tionally lovely.

The parade will be led by the
 Buffalo band from the starting
 point, which will be announced by
 Mr. Lockhart later, down fifth ave-
 nue to town and around the
 square; then it will return to the
 college and athletic field where
 the floats will be parked in an
 easily accessible place. Those who
 take part in the parade will then
 march across to the student sec-
 tion of the stadium giving college
 yells.

In the evening the ex-students
 will have charge of a program of
 which Miss Mattie Swayne is gen-
 eral director. A one act play, "The
 Bathroom Door," will be presented
 with a strong cast of former W. T.
 students, all of them distinguished
 in dramatic work. Mrs. Tip Car-
 ruth is directing the production of
 the play.

Dances by members of the de-
 partment of physical education for
 women are in charge of Miss Cross
 and will form the second feature
 of the program. Coming last but
 giving promise of being the feature
 of the day comes a series of clever-
 ly worked out song hits and short
 vaudeville acts.

Help Keep Canyon Clean.

EATS 63 RAW EGGS IN 20 MINUTES

Eland, Wis.—Philip Szutgoski,
 railroad employe acted "according
 to Hoyle" by eating 63 raw eggs in
 20 minutes to save them from
 spoiling when they were found
 cracked and broken in shipment.
 He explained his act by stating
 that the railroad book of rules calls
 upon every employe to exert every
 influence to protect shipments
 handled by carrier.

THERE is nothing that has ever
 taken the place of Bayer Aspirin as
 an antidote for pain. Safe, or physi-
 cians wouldn't use it, and endorse its
 use by others. Sure, or several mil-
 lion users would have turned to some-
 thing else. But get real Bayer Aspirin
 (at any drugstore) with Bayer on the
 box, and the word *genuine* printed in
 red.

Aspirin is the trade mark of Bayer Manufacture of Monacettin, Germany.

SHERWIN-WILLIAMS PAINT HEADQUARTERS Friday & Saturday SUGGESTIONS

Fine old SWP gives the best
 paint results at lowest cost

SWP is the world's greatest paint bargain. Come in and
 we will prove this in the most convincing way—with a
 complete estimate on the amount of SWP needed to paint
 your entire house. It costs less to paint your house with
 SWP because fewer gallons are needed. This fine paint
 has such a wonderful body that each gallon thoroughly
 covers many more square feet of surface.

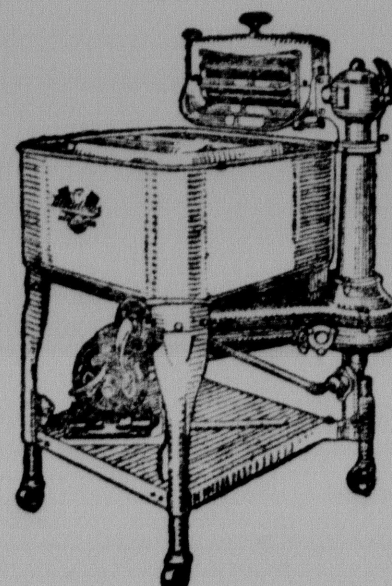

In addition to what you save on first cost, think of how
 much you save on repainting. SWP lasts five years, on the
 average—over twice as long as cheaper paint would.
 SWP with its positive protection—long durability and
 clean, rich colors that retain their beauty to the very last
 —gives you the best possible paint job.

Specify SWP and engage
 a good painter

Now is the time to paint. Re-
 member, ruinous winter neg-
 lects nothing. Your house, the
 garage, fences—anything ex-
 posed to its merciless punish-
 ment should have an armor-like
 coating of SWP to avoid costly
 damage. Come in and see our
 latest color schemes.

Paint now for economy

visited at the Henry Burtz home Sunday evening.

Mrs. Henry Garvin was ill the latter part of last week.

Miss Delvia Hutson visited at her home at Kaffir Switch Sunday.

CITATION BY PUBLICATION

THE STATE OF TEXAS,

To the Sheriff of any Constable of Randall County, Greeting:

You are hereby commanded to summon T. B. Hinkle, and the heirs and legal representatives of the said T. B. Hinkle, whose names and addresses are unknown, by making publication of this Citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your county, if there be a newspaper published therein, but if not, then in the nearest County where a newspaper is published to appear at the next regular term of the District Court of Randall County to be holden at the Court House thereof, in Canyon, Texas, on the first Monday in January, A. D. 1930, the same being the 6th day of January A. D. 1930, then and there to answer a petition filed in said Court on the 30th day of September, A. D. 1929, in a suit numbered on the docket of said Court as No. 1294, wherein Panhandle Construction Company, a corporation, is Plaintiff, and T. B. Hinkle, and the heirs and legal representatives of the said T. B. Hinkle, whose names and addresses are unknown, and Q. V. Conner, a feme sole, who resides in Randall County, Texas, and T. B. Atkins, who resides in Potter County, Texas, are Defendants, and said petition alleging:

That about February 10, 1890, L. G. Conner and his wife, Q. V. Conner, by bond for title recorded in Vol. 1-2, pages 461 of the Deed Records of Randall County, Texas, agreed to convey to T. B. Hinkle, by warranty deed Lot 13, Block 21, original town of Canyon City, in Randall County, Texas, for a consideration fully paid, and that defendant, Q. V. Conner, holds all the right, title and estate of the said L. G. Conner. That the City of Canyon, in Randall County, Texas, is a municipal corporation, duly organized, which corporation has adopted the general paving law of the State of Texas, and had same in effect at all the times herein mentioned. That on or about January 30, 1928, the governing body of said municipal corporation did determine that certain streets therein, including the street which abutted the above described property, should be graded, filled, curbed, guttered, paved and drained, according to plans and specifications on file and adopted by said town, and on said date entered into contract with plaintiff, whereby plaintiff would do the work in accordance with the plans and specifications, and when the improvement was completed it would issue its negotiable certificate to plaintiff which certificate should be an evidence of indebtedness against the owner of said property, and all persons having an interest therein, for the approved cost of said improvement, and should be a special lien upon the property prior to all liens and charges of every character, save and except taxes, and that the payment for said work should be made in six equal installments, one due within ten days from date of the acceptance by the City, and one each year for five years thereafter. That all payments should bear interest at 8%, payable annually, from date of such acceptance. Such certificate provided that if default is made in the payment of any installment of principal or interest, that the holder at its option might mature the whole of said certificate and providing further that when the whole was matured, either naturally or by accelerated option, that reasonable attorney's fee and cost of collection should be added, and provided that such certificate should be prima facie evidence of the truth of all matters recited therein. That said City of Canyon did give notice to the owner of said property, and all persons interested that at a named date each of such persons desiring to contest said ordinance or sale of contract should appear before the governing body of said City and object to same if they saw fit, and show if they could that the improvement would not increase the value of the property to the extent of its cost, and that after sufficient notice was had, on the 30th day of January, 1928, such hearing was had, and it was determined that the improvement would benefit the property, and plaintiff was ordered to proceed with the work, and it was confirmed that plaintiff should have its certificate setting forth the matters above, and that the cost of said improvement would be \$139.20. That plaintiff did proceed with and complete said work according to plans and specifications prior to May 30, 1928, on which date the work was accepted by the City of Canyon, Texas, and negotiable certificate was issued to plaintiff and delivered to it, and thereby became a lien upon said property superior to all claims except taxes, and a personal charge against said T. B. Hinkle, and same is now owned and held by plaintiff, and by virtue of the matters set out said Hinkle became and was indebted to plaintiff in the face of said certificate which is \$139.20, and that within ten days thereafter one-sixth of same was due. Plaintiff shows to the court that no part of the principal of said certificate has been paid, nor any interest thereon, although two installments are past due on principal and interest, and after demand defendants and all of them have failed and refused to pay same or any part thereof, and plaintiff has elected to exercise his option and mature the whole of said certificate, and has placed same with an attorney agreeing to pay him \$100.00.

That said T. B. Atkins is claimed to be the owner of the above described property, but his ownership, if any he has, is inferior and subordinate to the lien and claim of this plaintiff, and that said Q. V. Conner nor her grantor in interest, L. G. Conner, have not at any time completed the conveyance as bound in their bond of title to said T. B. Hinkle, and that the right and ownership of Q. V. Conner is subordinate to the rights and claims of plaintiff herein, and that the judgment and decree of this court ought to provide that the interest of said L. G. Conner and Q. V. Conner is subject to the judgment herein sought by

this plaintiff, and plaintiff further says that all right, title and ownership of said T. B. Hinkle, and of his heirs and legal representatives are subordinate and inferior to the rights, claims, liens and right of foreclosure of plaintiff herein. Plaintiff having elected to mature said certificate on account of the defaults aforesaid, there is due the principal sum of said certificate, \$139.20, which bears 8% interest from May 30, 1928, and \$14.85 interest has already accrued, and a reasonable attorney's fee of \$100.00, which defendants refuse to pay or any part thereof.

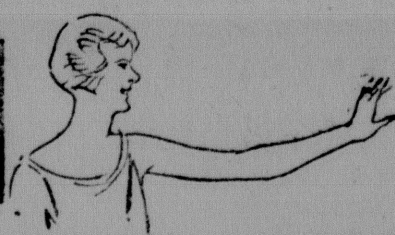

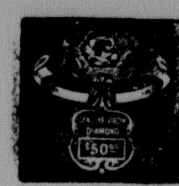

Plaintiff prays for service of process upon all defendants, and that upon hearing hereof it have its judgment for its debt as above particularly set out, and that such judgment be decreed to be a lien upon said Lot 13, Block 21, in the original town of Canyon, Randall County, Texas, superior to all the rights of all defendants herein, and that the land be sold to satisfy such judgment, and it have its execution for any deficiency and for such other relief, general and special as it may show itself entitled to receive at the trial hereof.

Herein fail not, and have you before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Given under my hand and the Seal of said Court, at office in Canyon, Texas, this 30 day of September, A. D. 1929.

(Seal) BERL E. MAYFIELD,
Clerk District Court,
Randall County.

**WE CAN'T CONTROL THE
WEATHER . . . but**

WE CAN CONTROL VOLATILITY!

"There's been a lot said about the weather but very little done about it" — until Phillips 66 was perfected. Here, at last, is a motor fuel in which the volatility of each gallon is controlled to fit the season and the climatic conditions of the locality in which you buy it. The result? Instant starting—any weather. Quick warm-up. Easy acceleration. Mileage and power that gratify. All this at no extra cost! For best results try a full tank of Phillips 66 . . . or 66 Ethyl.

**Phil-up
with
Phillips 66**

© 1929, Phillips Petroleum Company

CONTROLLED VOLATILITY

WHEN THE THERMOMETER GOES DOWN THE VOLATILITY GOES UP. Gasoline must vaporize before it can be fired in the cylinders of your motor. Volatility refers to the ability of gasoline to vaporize. With volatility controlled, Phillips 66 vaporizes as quickly in cold as in warm weather.

CITATION BY PUBLICATION

THE STATE OF TEXAS,

To the Sheriff or any Constable of

Randall County, Greeting:

You are hereby commanded to

summon T. B. Hinkle, and the

heirs and legal representatives of

the said T. B. Hinkle, whose

names and addresses are unknown,

by making publication of this Cit-

ation once in each week for four

successive weeks previous to the

return day hereof, in some news-

paper published in your county,

if there be a newspaper published

therein, but if not, then in the

nearest County where a newspaper

is published to appear at the next

regular term of the District Court

of Randall County, to be held in

at the Court House thereof, in

Canyon, Texas, on the first Mon-

day in January, A. D. 1930, the

same being the 6th day of January

A. D. 1930, then and there to

answer a petition filed in said

Court on the 30th day of Septem-

ber, A. D. 1929, in a suit number-

ed on the docket of said Court as

No. 1294, wherein Panhandle Con-

struction Company, a corporation,

is Plaintiff, and T. B. Hinkle, and

the heirs and legal representatives

of the said T. B. Hinkle, whose

names and residences are un-

known, and Q. V. Conner, a feme

sole, who resides in Randall Coun-

ty, Texas, and T. B. Atkins, who

resides in Potter County, Texas,

are Defendants, and said petition

alleging:

That about February 10, 1890, L.

G. Conner and his wife, Q. V. Con-

ner, by bond for title recorded in

Vol. 1-2, pages 461 of the Deed

Records of Randall County, Texas,

agreed to convey to T. B. Hinkle,

original town of Canyon City, in

Randall County, Texas, for a con-

sideration fully paid, and that de-

fendant, Q. V. Conner, holds all

the right, title and estate of the

said L. G. Conner. That the City

of Canyon, in Randall County,

Texas, is a municipal corporation,

duly organized, which corporation

has adopted the general paving law

of the State of Texas, and had

same in effect at all the times

herein mentioned. That on or

about January 30, 1928, the gov-

erning body of said municipal

corporation did determine that cer-

tain streets therein, including the

street which abutted the above de-

scribed property, should be graded,

curbed, guttered, paved and drain-

ed, according to plans and speci-

fications on file and adopted by

said town, and on said date en-

tered into contract with plaintiff,

whereby plaintiff would do the

work in accordance with the plans

and specifications, and when the

improvement was completed it

would issue its negotiable certifi-

cate to plaintiff which certificate

should be an evidence of indebt-

edness against the owner of said

property, and all persons having

an interest therein, for the ap-

proved cost of said improvement,

and should be a special lien upon

the property prior to all liens and

charges of every character, save

and except taxes, and that the

payment for said work should be

made in six equal installments, one

due within ten days from date of

the acceptance by the City, and

one each year for five years there-

after. That all payments should

bear interest at 8%, payable an-

nually, from date of such accep-

tance. Such certificate provided

that if default is made in the pay-

ment of any installment of princi-

pal or interest, that the holder at

its option might mature the whole

of said certificate and providing

further that when the whole was

matured, either naturally or by

accelerated option, that reasonable

attorney's fee and cost of collec-

tion should be added, and provided

that such certificate should be

prima facie evidence of the truth

of all matters recited therein. That

said City of Canyon did give no-

tice to the owner of said property,

and all persons interested that at

a named date each of such per-

sons desiring to contest said ordi-

nance or said contract should ap-

pear before the governing body of

said City and object to same if

they saw fit, and show if they

could that the improvement would

not increase the value of the prop-

erty to the extent of its cost, and

that after sufficient notice was

had, on the 30th day of January,

1928, such hearing was had, and it

was determined that the improve-

ment would benefit the property,

and plaintiff was ordered to pro-

ceed with the work, and it was

confirmed that plaintiff should

have its certificate setting forth

the matters above, and that the

cost of said improvement would be

\$139.20. That plaintiff did pro-

ceed with and complete said work

according to plans and specifica-

tions prior to March 30, 1928, on

which date the work was accepted

by the City of Canyon, Texas, and

negotiable certificate was issued

to plaintiff and delivered to it, and

thereby became a lien upon said

property superior to all claims ex-

cept taxes, and a personal charge

against said T. B. Hinkle, and

same is now owned and held by

plaintiff, and by virtue of the mat-

ters set out said Hinkle became

and was indebted to plaintiff in

the face of said certificate which

is \$139.20, and that within ten

days thereafter one-sixth of same

was due. Plaintiff shows to the

court that no part of the princi-

pal of said certificate has been

paid, nor any interest thereon, al-

though two installments are past

due on principal and interest, and

after demand defendants and all

of them have failed and refused

to pay same or any part thereof,

and plaintiff has elected to exer-

cise his option and mature the

whole of said certificate, and has

placed same with an attorney

agreeing to pay him \$100.00.

That said T. B. Atkins is claim-

ed to be the owner of the above

described property, but his own-

ership, if any he has, is inferior

and subordinate to the lien and

claim of this plaintiff, and that

said Q. V. Conner nor her grantor

in interest, L. G. Conner, have

made at any time completed

the conveyance as bound in

their bond of title to said

T. B. Hinkle, and that the

right and ownership of Q. V. Con-

ner is subordinate to the rights

and claims of plaintiff here, and

that the judgment and decree of

this court ought to provide that

all the interest of said L. G. Con-

ner and Q. V. Conner is subject to

the judgment herein sought by

this plaintiff, and plaintiff further says that all right, title and own-

ership of said T. B. Hinkle, and

of his heirs and legal representa-

tives are subordinate and inferior

to the rights, claims, liens and

right of foreclosure of plaintiff

herein. Plaintiff having elected

to mature said certificate on ac-

count of the defaults aforesaid,

there is due the principal sum of

said certificate, \$139.20, which

bears 8% interest from May 30,

1928, and \$14.85 interest has al-

ready accrued, and a reasonable

attorney's fee of \$100.00, which

defendants refuse to pay or any

part thereof.

Plaintiff prays for service of

process upon all defendants, and

that upon hearing hereof it have

its judgment for its debt as above

particularly set out, and that such

judgment be decreed to be a lien

upon said Lot 13, Block 21, in the

original town of Canyon, Randall

County, Texas, superior to all the

rights of all defendants herein,

and that the land be sold to sat-

isfy such judgment, and it have its

execution for any deficiency and

for such other relief, general and

special as it may show itself en-

titled to receive at the trial here-

of.

Herein fail not, and have you

before said Court, at its aforesaid

next regular term, this writ with

your return thereon, showing how

you have executed the same.

Given under my hand and the

Seal of said Court, at office in

Canyon, Texas, this 30 day of

September, A. D. 1929.

(Seal) BERL E. MAYFIELD,

Clerk District Court,

Randall County.

Wayside Items

Slight frost Monday the 21st. No vegetation showing ill effects so far. Reported more in bottom of canyon, rather strange phenomena. Stork Special: Wilbert Henry, Tuesday, Oct. 15, 7:45 a. m. to Henry C. Long and wife, near Montgomery, Ala. Both former Waysiders.

Merle Jenkins and Irving Lane were visitors at Wayside Sunday afternoon.

Mr. and Mrs. O. L. Akins from near Canyon were sporting a new Ford roadster Sunday and visiting in the paternal Mrs. T. G. Knox home.

G. W. Franklin and J. S. Sluder left Monday for Hereford on business.

Mr. and Mrs. Bill Harrell of Ab-

ernathy spent the week end with his brother and sister north of Wayside, both ladies and little folks attended Sunday School.

Home Demonstration Club had a most delightful time with Mrs. Amos Cunningham Monday afternoon. A goodly number present. After business session was over elegant refreshments were served. First Monday in November we will meet with Mrs. Irving SoRelle.

Any who feel disposed to write to Mrs. Lizzie Fairy, address Plainview, Texas, 1609 W. Ninth Street. Letters and cards would be appreciated by this afflicted shut in.

Mrs. J. S. Sluder and Wayne, Mrs. W. R. Franklin and "Charming Glennie" Mrs. Grace Graham and Mrs. Ida Sluder motored to Amarillo Monday and returned.

W. I. Lane was called to Claude Monday for jury duty. Court was

dismissed to be called again Thursday. On account of the distance and light docket he was excused. Mrs. W. T. Helms returned from Northwest hospital Saturday, doing as well as could be expected. She and husband plan to spend the winter in San Bernardino, Calif., with their daughter, Mrs. Lena Nelson.

An excellent program by B. Y. P. U. Sunday night, led by Miss Cope. Mrs. B. F. Wilhelm is on the sick list. W. J. Sluder has been quite indisposed, but able to be around. W. R. Franklin, wife and two children, Mrs. Grace Graham and children, and M. C. Sluder and family visited with the Sluder family last Sunday.

Baptist Revival to Start Next Sunday

As per plan of church our special evangelistic meetings begin Sunday. The entire membership of the church is urged to make preparations for the meeting. First, make a place in your daily program for the meetings. Such program may call on you for some sacrifice of time, of business, or of other engagements. Jesus sacrificed all for you, what will you do for him?

Again spiritual preparation is necessary. Some time with your Bible, some time in prayer, some time in meditation and the revival will start within your own lives. "If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land." II Chorn. 7:14.

The entire community is most cordially invited to attend these meetings. All who love the Lord are urged to co-operate in this enlisting and soul-saving campaign. Our unsaved friends, too, are most cordially invited to attend the meetings. "Come thou with us and we will do thee good."

The preaching will be done by pastor Virgil M. Cloyd, Hereford, Texas. Brother Cloyd is a splendid preacher and a great leader. You will be blessed by his ministry. The song service will be conducted by Mr. J. B. Riddle, First Baptist church, Amarillo. Brother Riddle is one of the best song leaders in Texas.

Hours of service, 10 a. m. and 7:30 p. m. Again we cordially invite everybody and to each and all we give a hearty welcome.

C. G. HOWARD, Pastor.

BIRTHDAY AND HALLOWEEN PARTY

Little Miss Doris Marie Ball helped to usher in the Halloween season with a most exciting Halloween and birthday party Saturday afternoon from four to six. Black cats, witches, owls, bats, and Jack o' lanterns, with the fortune telling which created much excitement and joy among the children. Doris Marie was five years old. Her aunts, sisters of Mrs. R. E. Ball, Misses Ona Love and Kate Barnett helped to entertain the children.

Apples, doughnuts, ice cream cones and angel food cake were served to the following: Dorothy Strain, Pauline Cluck, Anita Davis, Lois Marie Baker, Betty Ross Donald, Bettie Joe Foster, Martha Frances Campbell, Anna Lee and Martha Jo Newlin, Anna Sue Rogers, Mary Frances Eastwood, Pauline Virginia Winstead, Agnes Wray Smith, Erlene and Frank Shotwell, George Shannon Black, John James Harter, Andy Walsh Jr., Billie Gable, Jimmie Boutwell, Curtis, R. B. and Don Meredith, Barrett and Doris Marie Ball.

BAPTIST W. M. U. MEETS

The Baptist W. M. U. met in general session Tuesday at the home of Mrs. Warren Johnson. Circle Three had charge of the program. There followed a business session which proved important, and much interest was manifested. The W. M. U. plans immediately to do some very definite work for the departments of the Intermediates and Juniors in the Baptist Sunday School. Refreshments of pumpkin pie and coffee were served to those present.

Wayside Items

Slight frost Monday the 21st. No vegetation showing ill effects so far. Reported more in bottom of canyon, rather strange phenomena. Stork Special: Wilbert Henry, Tuesday, Oct. 15, 7:45 a. m. to Henry C. Long and wife, near Montgomery, Ala. Both former Waysiders.

Merle Jenkins and Irving Lane were visitors at Wayside Sunday afternoon.

Mr. and Mrs. O. L. Atkins from near Canyon were sporting a new Ford roadster Sunday and visiting in the paternal Mrs. T. G. Knox home.

G. W. Franklin and J. S. Sluder left Monday for Hereford on business.

Mr. and Mrs. Bill Harrell of Abilene.

ernathy spent the week end with his brother and sister north of Wayside, both ladies and little folks attended Sunday School.

Home Demonstration Club had a most delightful time with Mrs. Amos Cunningham Monday afternoon. A goodly number present. After business session was over elegant refreshments were served. First Monday in November we will meet with Mrs. Irving SoRelle.

Any who feel disposed to write to Mrs. Lizzie Fairy, address Plainview, Texas, 1609 W. Ninth Street. Letters and cards would be appreciated by this afflicted shut in.

Mrs. J. S. Sluder and Wayne, Mrs. W. R. Franklin and "Charming Glennie," Mrs. Grace Graham and Mrs. Ida Sluder motored to Amarillo Monday and returned.

W. I. Lane was called to Claude Monday for jury duty. Court was

dismissed to be called again Thursday. On account of the distance and light docket he was excused. Mrs. W. T. Helms returned from Northwest hospital Saturday, doing as well as could be expected. She and husband plan to spend the winter in San Bernardino, Calif., with their daughter, Mrs. Lena Nelson.

An excellent program by B. Y. P. U. Sunday night, led by Miss Cope. Mrs. B. F. Wilhelm is on the sick list. W. J. Sluder has been quite indisposed, but able to be around. W. R. Franklin, wife and two children, Mrs. Grace Graham and children, and M. C. Sluder and family visited with the Sluder family last Sunday.

Baptist Revival to Start Next Sunday

As per plan of church our special evangelistic meetings begin Sunday. The entire membership of the church is urged to make preparations for the meeting. First, make a place in your daily program for the meetings. Such program may call on you for some sacrifice of time, of business, or of other engagements. Jesus sacrificed all for you, what will you do for him?

Again spiritual preparation is necessary. Some time with your Bible, some time in prayer, some time in meditation and the revival will start within your own lives. "If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land." II Chron. 7:14.

The entire community is most cordially invited to attend these meetings. All who love the Lord are urged to co-operate in this enlisting and soul-saving campaign. Our unsaved friends, too, are most cordially invited to attend the meetings. "Come thou with us and we will do thee good."

The preaching will be done by pastor Virgil M. Cloyd, Hereford, Texas. Brother Cloyd is a splendid preacher and a great leader. You will be blessed by his ministry. The song service will be conducted by Mr. J. B. Riddle, First Baptist church, Amarillo. Brother Riddle is one of the best song leaders in Texas.

Hours of service, 10 a. m. and 7:30 p. m. Again we cordially invite everybody and to each and all we give a hearty welcome.

C. G. HOWARD, Pastor.

BIRTHDAY AND HALLOWEEN PARTY

Little Miss Doris Marie Ball helped to usher in the Halloween season with a most exciting Halloween and birthday party Saturday afternoon from four to six. Black cats, witches, owls, bats, and jack o' lanterns, with the fortune telling witch created much excitement and joy among the children. Doris Marie was five years old. Her aunts, sisters of Mrs. R. E. Ball, Misses Ona Love and Kate Barnett helped to entertain the children.

Apples, doughnuts, ice cream cones and angel food cake were served to the following: Dorothy Strain, Pauline Cluck, Anita Davis, Lois Marie Baker, Betty Ross Donald, Bettie Joe Foster, Martha Frances Campbell, Anna Lee and Martha Jo Newlin, Anna Sue Rogers, Mary Frances Eastwood, Pauline Virginia Winstead, Agnes Wray Smith, Erlene and Frank Shotwell, George Shannon Black, John James Harter, Andy Walsh Jr., Billie Gano, Jimmie Boutwell, Curtis, R. B. and Don Meredith, Barrett and Doris Marie Ball.

BAPTIST W. M. U. MEETS
The Baptist W. M. U. met in general session Tuesday at the home of Mrs. Warren Johnson. Circle Three had charge of the program. There followed a business session which proved important, and much interest was manifested. The W. M. U. plans immediately to do some very definite work for the departments of the Intermediates and Juniors in the Baptist Sunday School. Refreshments of pumpkin pie and coffee were served to those present.
